

# RAINFOREST TRUST®

## *Conservation Heroes*

**The Geography Club**

**The Eastwood Academy**

**Leigh-on-sea**

The club raised enough money by growing and selling herbs to protect

**170 acres of Peru's  
Amazon Rainforest**

This donation will enable Rainforest Trust and our local partner to protect indigenous lands for 220 communities in Peru, which will in turn provide protection for a variety of endangered species such as the White-bellied Spider Monkey, Giant Otter and the Jaguar (shown right).
