Re: Arrangements for the Start and End of the School Day

Dear Parent,

As a follow up to the FAQ, I would like to update you with a change to the arrival and egress arrangements for the start and the end of the school day, effective **Monday 6th September**.

Year Groups	Entrance	Exit
7	Main Footpath (Front)	Main Footpath (Front)
8	Main Footpath (Front)	Back Gate
9, 10, 11	Side Footpath (Front)	Gate adjacent to the AstroTurf leading to the Side Footpath (Front)

As before, any pupil travelling to school on a bike can enter and exit via the Back Gate.

The main change in the above table is the requirement for **Year 8 pupils to exit via the Back Gate**. This will help alleviate some of the congestion pressures at the front of the school.

Yours sincerely,

Mr. N. Houchen
Principal
