Dear Parent,

**Re: Looked-After Children**

Dear Parent/Carer,

The Academy receives extra funding in order to further support and develop the education of children that are either adopted, formally in care or currently in care.

Recent guidance from the Department for Education (DfE), suggests that 1:1 tuition is the most effective way of making and sustaining academic progress. As such, I have sought to make this resource available for looked-after children.

Your child has been allocated two individual sessions per week with a qualified teacher, (one hour of English and one hour of Mathematics). Any additional resources will also be provided.

If you have any questions with regard to this provision, please refer to the [Looked-After Children Policy](#) on the Academy website or contact me directly at the e-mail address below.

Yours sincerely,

Mr. Y. Moyet  
Assistant Principal
