Dear Parent,

We know just how important it is for you to choose the right secondary school for your child in order for them to thrive, learn, and become confident and successful in whichever path they may choose.

All children have different ways of learning. Some children excel in music, others have a natural aptitude for mathematics, some are good at sport, many are secure 'all-rounders', a few find academic learning challenging and some thrive on a practically based vocational curriculum. Most important of all, is that all children and young people deserve a good education both for their own sake and to enable them to gain qualifications to help them secure a positive future.

When it comes to making that all-important decision about secondary education, the challenge is to find the right school. This means one that meets your child's academic, social and emotional needs, where they will be happy, safe, secure and ready to learn.

To help you make an informed choice we are pleased to provide you, in this booklet with the school details, admission criteria and the admission process. Starting secondary school is a major event for all children and we hope that this booklet will answer most of your questions. If, however, there is anything further you need to know or if you are unsure what to do at any stage please contact the Customer Service Centre or The School Admissions Team.

We hope that you find the information in this booklet helpful in making this important decision and join you in wishing your children all the very best as they near the end of their time in primary school.

Deputy Chief Executive, Department for People

Applying for a school place online

There are two ways to make your application for a school place; it can be done either:

- Online via our website (see below) or
- On a paper application, copies of which are available from the Council at the Civic Centre, Victoria Avenue.

The online system is quick, secure and confidential. You will be able to create an account and add your application details, view it, make any changes and submit your final version before the closing date, as well as view the offer. It is hoped that as in previous years as many parents as possible will apply online for secondary school places for September 2019. For the September 2018 round of admissions 88% of parents applied online.

The website address is;

www.southend.gov.uk/admissions

The benefits of making your application online are:

- the online facility is available 24 hours a day and 7 days a week from 1st September 2018 until midnight on the closing date of 31st October 2018;
- you can log in and view your application form and you can make changes to the details on the application form up until midnight on the closing date;
- the system is secure and has a series of security procedures which keeps the information provided safe;
- there is no risk that your application will get lost in the post;
- you can log in and view your child's school offer on national offer day, 1st March 2019. The offer will only be sent by email on the offer day to those that request it;
- you can respond to the offer of a school place online.

Accessing the website to apply online

It is possible to access the website from anywhere with internet access. Free internet access is available at any Library in the Borough. Please note that you will need an email address to use the online facility.

Where possible, please keep the same email address during the round. Please inform us if you change your email address during these months if you have applied online.

Is your child sitting the 11plus?

You can apply **before** you receive your results
and amend your preferences once you have
your results
or
you can apply once you have your results

**It's up to you
Just don't forget to apply!**

Introduction

The law requires your Local Authority to co-ordinate year 7 admissions to all secondary schools except independent (fee-paying) or special schools in their area. All secondary schools in the borough have academy status and therefore the academy trust is the admission authority for the school.

The information in this booklet, therefore, details the transfer process between primary and state mainstream secondary schools and is relevant to your child's first year in secondary education. Starting secondary school is a major event for all children and we hope that this booklet will answer most of your questions. If, there is anything further you need to know or if you are unsure what to do at any stage please contact us.

The School Admissions Team at the Council will be pleased to answer any questions you may have regarding catchment areas, online admissions, completion of the Common Application Form, the allocation of places, waiting lists and the appeals process. Details of all the relevant contact points and telephone numbers are shown below. If you feel there is any way that we can improve our service please let us know.

only

Information on special schools and on
independent schools in the borough is
available further in the booklet or on the
Council website

Throughout this booklet, 'parents' should be taken to include all those with parental responsibility, including guardians and carers.

Any reference to parental responsibility is as defined by the Children Act 1989 (also refer to Section 576 Education Act, Section 2 of Children's Act). In making an application for a school place only one parent with parental responsibility is required to do so for the purposes of admissions. Consent by both parents is not required and the LA does not require the details of both parents (section 2.2; The School Admissions Code 2014).

Secondary School Information Events

All the secondary schools in the Borough hold events for year 5 pupils and their parents/carers. This is for admission to year 7 in September 2019.

The dates and times are listed below as provided by the schools. If you have any enquiries about the arrangements for these events these should be directed to the school(s) concerned. Parents that can not attend one of the sessions below are encouraged to make contact with Schools to arrange visits to the school. Many primary schools also run information sessions for parents to assist them in the secondary admissions process.

We advise parents to visit as many secondary schools as possible, obtain their prospectus and read the admission criteria before completing the Common Application Form provided by The School Admissions Team at the Council.

Making an application

Who should make the application?

Parents living in the borough of Southend-On-Sea must apply to Southend-on-Sea Borough Council for their preferred secondary schools. The Southend Common Application Form is the only way you can apply for a secondary school place for your child. The form can either be completed and submitted online at www.southend.gov.uk/admissions or you can complete and return the form available on the web site or from the Council. Please do not do both. If more than one application is received the authority will process the last one to be submitted. You must submit your application by 31 October 2018.

Where more than one adult shares parental responsibility and lives at different addresses, it is important that agreement be reached, prior to making the application, on which schools to apply for. If different applications are received, or the Admissions Team is made aware of a dispute between two parents, these applications will be placed on hold and will not be processed until such time that:

- one joint application is made; or
- written agreement is provided from both parents with one set of preferences; or
- a court order is obtained confirming which parent's application carries precedence.

Parents seeking information should note that the LA will only discuss specific details about your child's application with the person who completes the form (referred to as the applicant).

Where do I apply?

If you pay your Council Tax to Southend-on-Sea Borough Council you must apply to the School Admissions Team at Southend-on-Sea Borough Council

What happens if I apply to the wrong authority?

Your application is not processed.

Before making your application

- Make time to visit the school/s
- Make realistic preferences (refer to school admission criteria)
- Think about how your child will get to school
- It is recommended that one of your preferences is your catchment school

Education Health Care Plans

Please note that if your child has a EHCP, you will already have received information from the Special Educational Needs Team regarding the secondary transfer process and you must not complete the Single Application Form. You can access the SEND local offer on <http://www.southendinfopoint.org/kb5/southendonssea/fsd/localoffer.page?familychannel=4>

Selecting Preferences

- You can apply for up to five schools including out of borough schools and selective schools.
- You should put your preferences in the order (1 being your first preference) you would like to gain a place.

The coordinated arrangements mean that the Council will assess which school(s) can offer you a place according to the admission criteria of the school and if there is more than one school that can accommodate you, the Council will offer the school for which you expressed the highest preference. How the allocation of places works is outlined on page 16.

Please be aware that there is no guarantee that any of your preferences will be successful.

As a guide you need to look carefully at how schools offered places in the previous year as indicated in pages 25–59.

Whilst this may not be exactly the same year on year it gives an indication for example that the school was able to admit all catchment pupils or that it had not been able to.

If you use one of your preferences for a selective school and your child did not reach the pass mark you will be refused a place at the selective school.

Please check the individual admission arrangements for each school for specific details of how your application will be considered (pages 25-59).

Preferences for schools outside the Borough

Parents wishing to apply to schools that fall into other Local Authorities are reminded to check the relevant LA booklet and the criteria for the school that they are interested in. Details for the closest schools outside of Southend are available on page 64. We remind you to consider that one of your preferences is your catchment school to ensure that you have priority at a local school. As always parents are encouraged to make reasonable preference choices.

Reminder: Your application must be completed by 31st October 2018

Children living in Southend but attending a primary school outside of the Borough

If you live in the Southend-on-Sea Borough and wish to apply for a school outside the Borough you must include all schools (in and out of the Borough) in your preference selections. If you do not live in the Southend-on-Sea Borough you must complete the forms for the local authority where you live.

Supplementary Information Forms (SIF)

The Eastwood Academy, St Bernard's High School and St Thomas More High School require you to complete a SIF. Please also see page 21 & 22 for selective and partially selective school requirements.

These are forms used to provide additional information in support of your application.

However, it is not an application form and parents must name the school on the Local Authority's Common Application Form to be considered as having made a valid application.

SIFs may also be required to apply for places at some schools outside the Borough. The individual schools concerned will be able to advise you whether a SIF is needed.

Online Applications

You are reminded that:

- All forms must be submitted before midnight on 31st October 2018. All applications forms must be submitted to be considered
- Unsubmitted application forms will not be considered
- Please ensure that you have read the Terms and Conditions before you submit your application
- If you change your application at any time you must ensure that it is resubmitted, otherwise the changes on the application cannot be processed. In this situation your most recently submitted form will be taken into account.
- It is the parents' responsibility to ensure that the sibling details have been provided on your application form. Please double check. You can view the sibling details on your online form and update them before the closing date.

Please inform the School Admissions Team if the sibling changes school during the admission round as this will influence the ranking of the submitted application form.

Sibling details

Please ensure that you have provided us with sibling details on the application form where applicable.

You should check the priority given to siblings in each school's admissions criteria to assess the chances of siblings gaining a place at the same school.

There is no automatic guarantee that siblings can go to the same school. Your chances will be reduced if you do not apply on time.

Please do not assume that the School Admissions Team are aware of any siblings. It is your responsibility to ensure the sibling details are provided on the application form.

Please inform the School Admissions Team if the sibling changes school between Sept and July.

Submitting your application

Please check what you have 'submitted' on the online form as that is the only information used when allocating places. **It is not possible to process un-submitted forms.**

Acknowledging receipt of your application

All applications receive confirmation of receipt.

- If you applied online, once you submit your form, you will receive an email confirmation that your application has been received.
- If you applied by post, a letter confirming receipt will be posted to you.

If you apply on paper and post your form to us we recommend that you obtain proof of postage. If the application form is not received by the closing date, you will need to show evidence that it was posted before the closing date.

Regardless of how you applied you can email admissions@southend.gov.uk to accept a place, refuse a place, request to be on a waiting list and any other queries.

Offers of school places

If you made an online application for a school place we will let you know by email on the National Offer Day at which school your child has been offered a place unless you have requested to receive your offer by post.

If you applied on the paper application form, you will be sent a letter by first class post, on National Offer Day advising you at which school your child has been offered a place.

Allocation of school places if all preferences are refused

If you live in the borough and it has not been possible to allocate your child a place at any of your preferred schools, the School Admissions Team will allocate a place to your child at the nearest school in the borough to your home address which has vacancies at that time.

Accepting the offer of a school place

Offers are automatically recorded as 'accepted' and parents will be given 10 school days to notify the LA if they wish to reject an offer of a school place. Parents who applied online will be able to do this by using the online facility.

Welcome packs from schools

Many schools send out welcome packs to all pupils that have been offered a place soon after National Offer Day.

You can still decline an offer, even if you have received a welcome pack from the school.

The School Admissions Team notifies the schools of all responses.

Ongoing offer of places

After all parents have responded to the offer by accepting or refusing places, and the School Admissions Team know how many places are available across the borough, available places will be offered from the waiting list. This process continues right up to September 2019.

This stage will include: those pupils who were refused a place on offer day (waiting list), changes of preference due to a change of address and late applications.

After September 2019 waiting lists are handed over to the respective schools.

Withdrawal of school places

Once a school place has been offered this can only be withdrawn by the Council or the school in very limited circumstances.

These may include:

- a) where a parent has failed to respond to an offer within a reasonable time;
- b) where an offer was made on the basis of a fraudulent or misleading application form, for example, a false claim to residence in the catchment area;
- c) where the Council offered the place in error.

Places can be withdrawn up to the end of December of the round.

New School Applications

Applications from parents moving into the area, who in the view of the LA could not have made an application by the closing date, will be slotted into the system as and when received. These will be regarded as new applications and will only apply for parents that could not have applied on time such as moving into the country. If parents, that could not have made an application by the closing date but move and are living within the borough before 3rd December 2018 for secondary applications, they will be slotted into the system and processed with on-time applications where possible. Any further new applications received after these dates will be considered after the initial allocation of places on offer day.

Late Applications

Applications received from parents after the closing date and who, in the view of the School Admissions Team, could normally have completed an application on-time will be treated as late applications. Such applications will be considered after all on-time applications have been processed, where possible late applications will receive an offer of a place on National Offer Day. This will only be for preferences at schools that have remaining spaces after all on-time places have been allocated.

Where a late application cannot be offered a place at a preference school, an alternative offer will be made at the next nearest non selective school/non-faith school with places available within the Borough.

If this is not possible because of a lack of time, parents whose applications are late will be advised at which school their child will be offered a place as soon as possible.

Key Points to Remember

It is very important to remember to:

- **'Submit'** your online form
- Unsubmitted forms will not be accepted by School Admissions.
- An unsubmitted form is not an application
- Obtain a receipt for your paper submission as proof
- Inform the Admissions Team of any change of address

General Admission Criteria

Information used when considering a child's home address

In all cases the use of any particular address when deciding on the allocation of places would be on the basis that this is your child's normal place of residence during the majority of the school week.

If it is claimed that a child spends an equal amount of time at separate addresses during the school week, the address where the Child Benefit* is normally payable would be taken into account and clarification sought from the Child Benefit Agency.

*Where a child benefit letter cannot be provided parents will need to provide a signed affidavit or other legal document to confirm the child's usual place of residence. In many cases a request for the parent driving licence will be requested.

Southend-on-Sea Borough Council takes very seriously any attempt to gain unfair advantage in the admissions process by giving false/misleading information (for example providing a false address). Please read further information on page 12.

Moving house/changing address details

If you move address during the admissions process (September to July), you must notify School Admissions immediately by email or letter.

You should provide proof of exchange of contracts if you have purchased your new home, or tenancy agreement if you are renting. If there are changes to your plans you must let School Admissions know immediately or your child's offer of a place could be withdrawn.

If you know you are moving to Southend Borough before the closing date for applications but are not able to provide evidence by that date, you must apply for Southend schools via your current home authority.

If you make an online application and you have moved house it is not sufficient only to change your address on your online application. You must inform School Admissions in writing, by email or letter, and provide evidence of your move as described. If there are changes to your address details you must let School Admissions

know immediately or your child's offer of a place could be withdrawn.

It is your responsibility to provide the Admissions Team with proof of address. Please do not assume that the Admissions Team have access to other records the Council (eg. Council Tax) may hold about you.

Change of home address within the Borough after the closing date

Due to the high variations of address policies across the various LAs and own admission authorities, regardless of home LA, addresses for schools in Southend-on-Sea are as per the child's normal place of residence (address) as at the closing date for Secondary Admissions, 31st October 2018. Any addresses after the closing date are updated after offer day and the applications ranked accordingly.

Changes to the order of school preferences

Changes to the order of preferences already expressed, received after the closing date, will not be accepted unless the circumstances are deemed to be exceptional and the changes can be accommodated.

Parents who provide false information in support of their application for a school place

Southend-on-Sea Borough Council takes very seriously any attempt to gain unfair advantage in the admissions process by giving false information (for example providing a false address).

In relation to any application for a school place the Council may ask a sample of applicants to provide proof of their home address. This is likely to include;

- UK driving licence;
- copy of the child benefit letter (see above if child benefit letter cannot be provided);
- council tax notification;
- two utility bills dated within the last 6 months (gas, electricity, water or landline phone)
- Tenancy Agreement
- Exchange of contracts

Renting a property?

If a parent claims to be renting a property, a rental agreement / lease arranged through a letting agency or estate agent will be requested together with written evidence that it is the child's normal place of residence. Informal letting agreements will not be accepted.

If, in addition to the rented property, the child's parents also own another property and have previously resided in that property, the Council will consider carefully whether the application for a school place has been made in good faith. In this situation consideration will be given to whether the rented property or the other property should be regarded as the child's normal place of residence.

What if I own more than one property?

If a parent owns more than one property they must use the address that is the child's usual place of residence (that is: habitual place of residence for the school week). If, the child has resided in another property still owned by the parents, parents must not use this address. In this situation the Council will consider carefully whether the application for a school place has been made in good faith and if the child is currently resident at that address. Consideration will be given to the property that should be regarded as the child's normal place of residence. Parents are reminded that where properties are under renovation and they have future plans to move properties (that they own or don't own), the allocation of a school place cannot be determined on any intended future home arrangements. School allocations will therefore be on the current normal/habitual place of residence for the child.

Can I use a friend/family address?

The use of an address of a friend or relative would not be regarded as the normal place of residence. Please be aware that an address used for before and after-school childcare arrangements will not be considered.

I am moving when will this address be used?

Due to the high variations of address policies across the various LAs and own admission authorities, regardless of home LA, addresses for schools in Southend-on-Sea are as per the child's

normal place of residence (address) as at the closing date for Secondary Admissions, 31st October 2018. Any addresses after the closing date are updated after offer day and the applications ranked accordingly

What additional checks are carried out?

The School Admissions Team takes steps to verify your child's home address either by cross referencing information held by your child's current school (if in Southend) or by requesting that you provide proof of address.

Checks will also be made with other departments in the Council and, where it is suspected that the family live outside of Southend, contact will be made with the relevant Local Authority.

Where there is reasonable doubt as to the validity of a home address, the School Admissions Team reserves the right to take additional checking measures including, in some cases, unannounced home visits.

From time to time the School Admissions Team also carries out 'blanket' address checks.

What happens if I use a false address?

If, after offers of school places have been made, or the child has started at the said school, it is established that fraudulent or intentionally misleading information has been provided in order to gain a place at a secondary school, the School Admissions Team will withdraw any school place offered.

If an offer of a school place is withdrawn the parent can submit a fresh application. All parents must provide proof of change of address if they move any time between September and July. Change of address affects the ranking of the application. Not disclosing a change of address constitutes 'misleading information'.

Remember:

Regardless of your current circumstances, the address used for admissions must be the child's normal place of residence.

Year 7 - Under and over age applicants

Under age

For admissions into year 7, an applicant is **under age** if he or she will be under 11 years of age on 31st August immediately prior to admission in September. The Admissions Team will only accept applications from under age applicants who are already out of normal age group when they start year 6 in their primary/junior school.

The decision to promote the child to the year group above his/her chronological age group must be taken by the primary school prior to the end of the summer term in the calendar year in which the child applies for a secondary school place (this should be prior to the end of year 5). Confirmation of this is likely to be sought from the headteacher of the primary school concerned, by the LA on behalf of the admission authority.

Over age

An applicant is **over age** if he or she is 12 years of age or over on 31st August immediately prior to admission in September.

The Admissions Team will not accept over age applicants for year 7 admissions unless there are verified and well documented exceptional circumstances, for example, of extended illness, for a child to repeat one of the primary school years.

The Admissions Team will seek verification from the headteacher of the primary school concerned that an over-aged applicant has medically certifiable reasons or some other exceptional reason for being an over-aged applicant. The Admissions Team will wish to investigate especially thoroughly the circumstances through which any child is found to be studying in Year 6 for the second time, especially if this should involve an application to sit the CSSE selection tests for a second time. Medical and any other relevant background evidence will be required from the parent and the school for such applicants.

The admission authority that approved an over or under age request will be required to provide evidence of the following:

- The outcome letter;
- the parent's views;
- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group;
- and whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- views of the head teacher of the school concerned.

Summer Born, over age

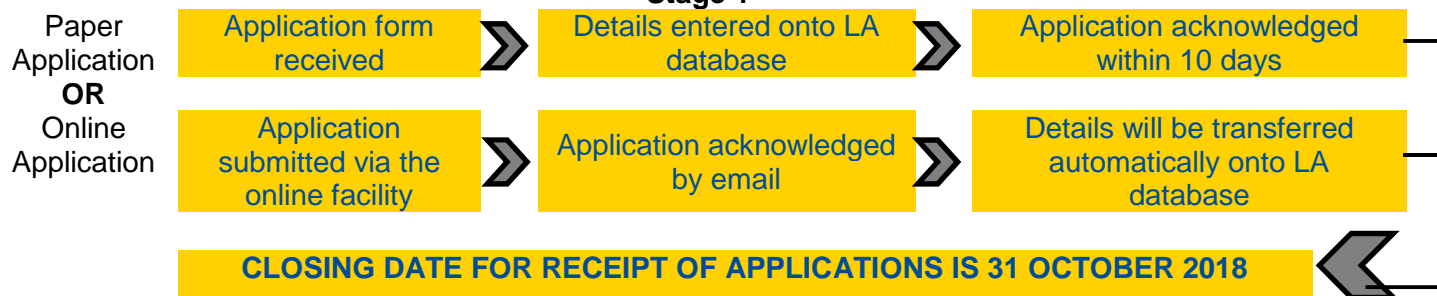

In the case of children born prematurely or the late summer months where parents were granted approval for admission at reception outside the normal age group, secondary schools in the borough will honour this agreement (there may be some matters to consider for selective and partially selective schools). In the main therefore children will be permitted to continue to be educated outside normal age group.

Parents wishing to undertake the 11+ for selective or partial selective places must consult the CSSE in regard to the regulations for children out of usual age group.

Parents should consult the admission arrangements for their preferred school in regard to over and under age admissions.

Stage 1

Stage 2

Stage 3

Stage 4

1 MARCH 2019 – NATIONAL OFFER DAY

Applicants respond to offer by contacting the LA. Online applicants can respond via online system. Paper applicants can respond by returning form enclosed with offer letter, using the business reply envelope. Alternatively, all applicants can respond by emailing admissions@southend.gov.uk

Pupils will be held on a waiting list for any schools of higher preference than that offered unless parents inform School Admissions that they no longer wish to be considered for a place. Waiting lists will be maintained by the LA for all schools until the end of August.

If a place becomes available then the child at the top of the waiting list will be offered the place.

Parents are given the right to appeal against all preferences not offered.

If none of your preferences can be met you will be offered a place at the nearest school to the home address with a space available in the borough.

How the allocation of places works

All preferences are treated equally.

If a place is available at each of your preference schools the offer for a place will be made at your highest preference school that has a place available. Places are allocated according to the admission criteria on pages 25–59.

How places are allocated:

If there are places at your first preference school the place will be offered to you.

If there are no places at your first preference school and there are places at your second preference the place will be offered to you. You may request to remain on the waiting list for the first preference and will be offered your right to appeal for the first preference.

If there are no places at your second preference school and there are places at your third preference the place will be offered to you. You may request to remain on the waiting list for the first and second preference and will be offered your right to appeal for the first and second preference.

This process continues for your fourth and fifth preferences.

If it has not been possible to allocate your child a place at any of your preferred schools, the School Admissions Team will allocate a place to your child at the nearest non selective school in the Borough to your home address with vacancies at that time.

Note: Parents do not have to accept the alternative offer and can request other schools with places by contacting the School Admissions Team.

If a school cannot offer your child a place this will be as it has met its published limit with children higher on its admission criteria or your child has not achieved the academic limit on the selection test.

Waiting lists and Catchment

How waiting lists work

On offer day the School Admissions Team has a list that ranks on-time preferences for each child according to the admission priority of the school* (Southend Schools only). Where there are more applications than there are places available, the ranked list is used to determine who gets a place at the school in accordance with the published admissions number.

*[*selective schools and schools using selective tests or aptitude tests have more than one list relating to the different numbers allocated to different categories, for example, pupils living in the priority area and those outside the area.]*

Once places have been offered, any remaining pupils on the ranked list form the basis of the initial waiting list. Names are only removed from the waiting list at the parent's request.

Late applications are then placed on the list and the list is re-ranked to take account of the appropriate admission priorities for all applications.

As places can be declined up to 14th March 2019 this affects the places available at schools. Any places available are allocated from the waiting list.

General information on waiting lists

Changes to the waiting list occur when other applications to schools are made. This may be families moving into Southend or additional applications from those that did not get their preferred school(s). Each application will be slotted into the waiting list according to the admission criteria relevant to the school. An example of this would be a family moving into the catchment area and having a higher priority than someone already on the waiting list with an out of catchment sibling.

Successful appeals will also impact on a waiting list position. Additional pupils admitted by an Appeal Panel would put the potential number above the Published Admission Number (PAN) of a school. Before anyone else is admitted from a waiting list the number of pupils must go below the PAN.

It should be noted that if you are applying for a place at a school in another local authority, for example: Essex, then different waiting list systems may apply. You should consult the scheme details for the other local authority.

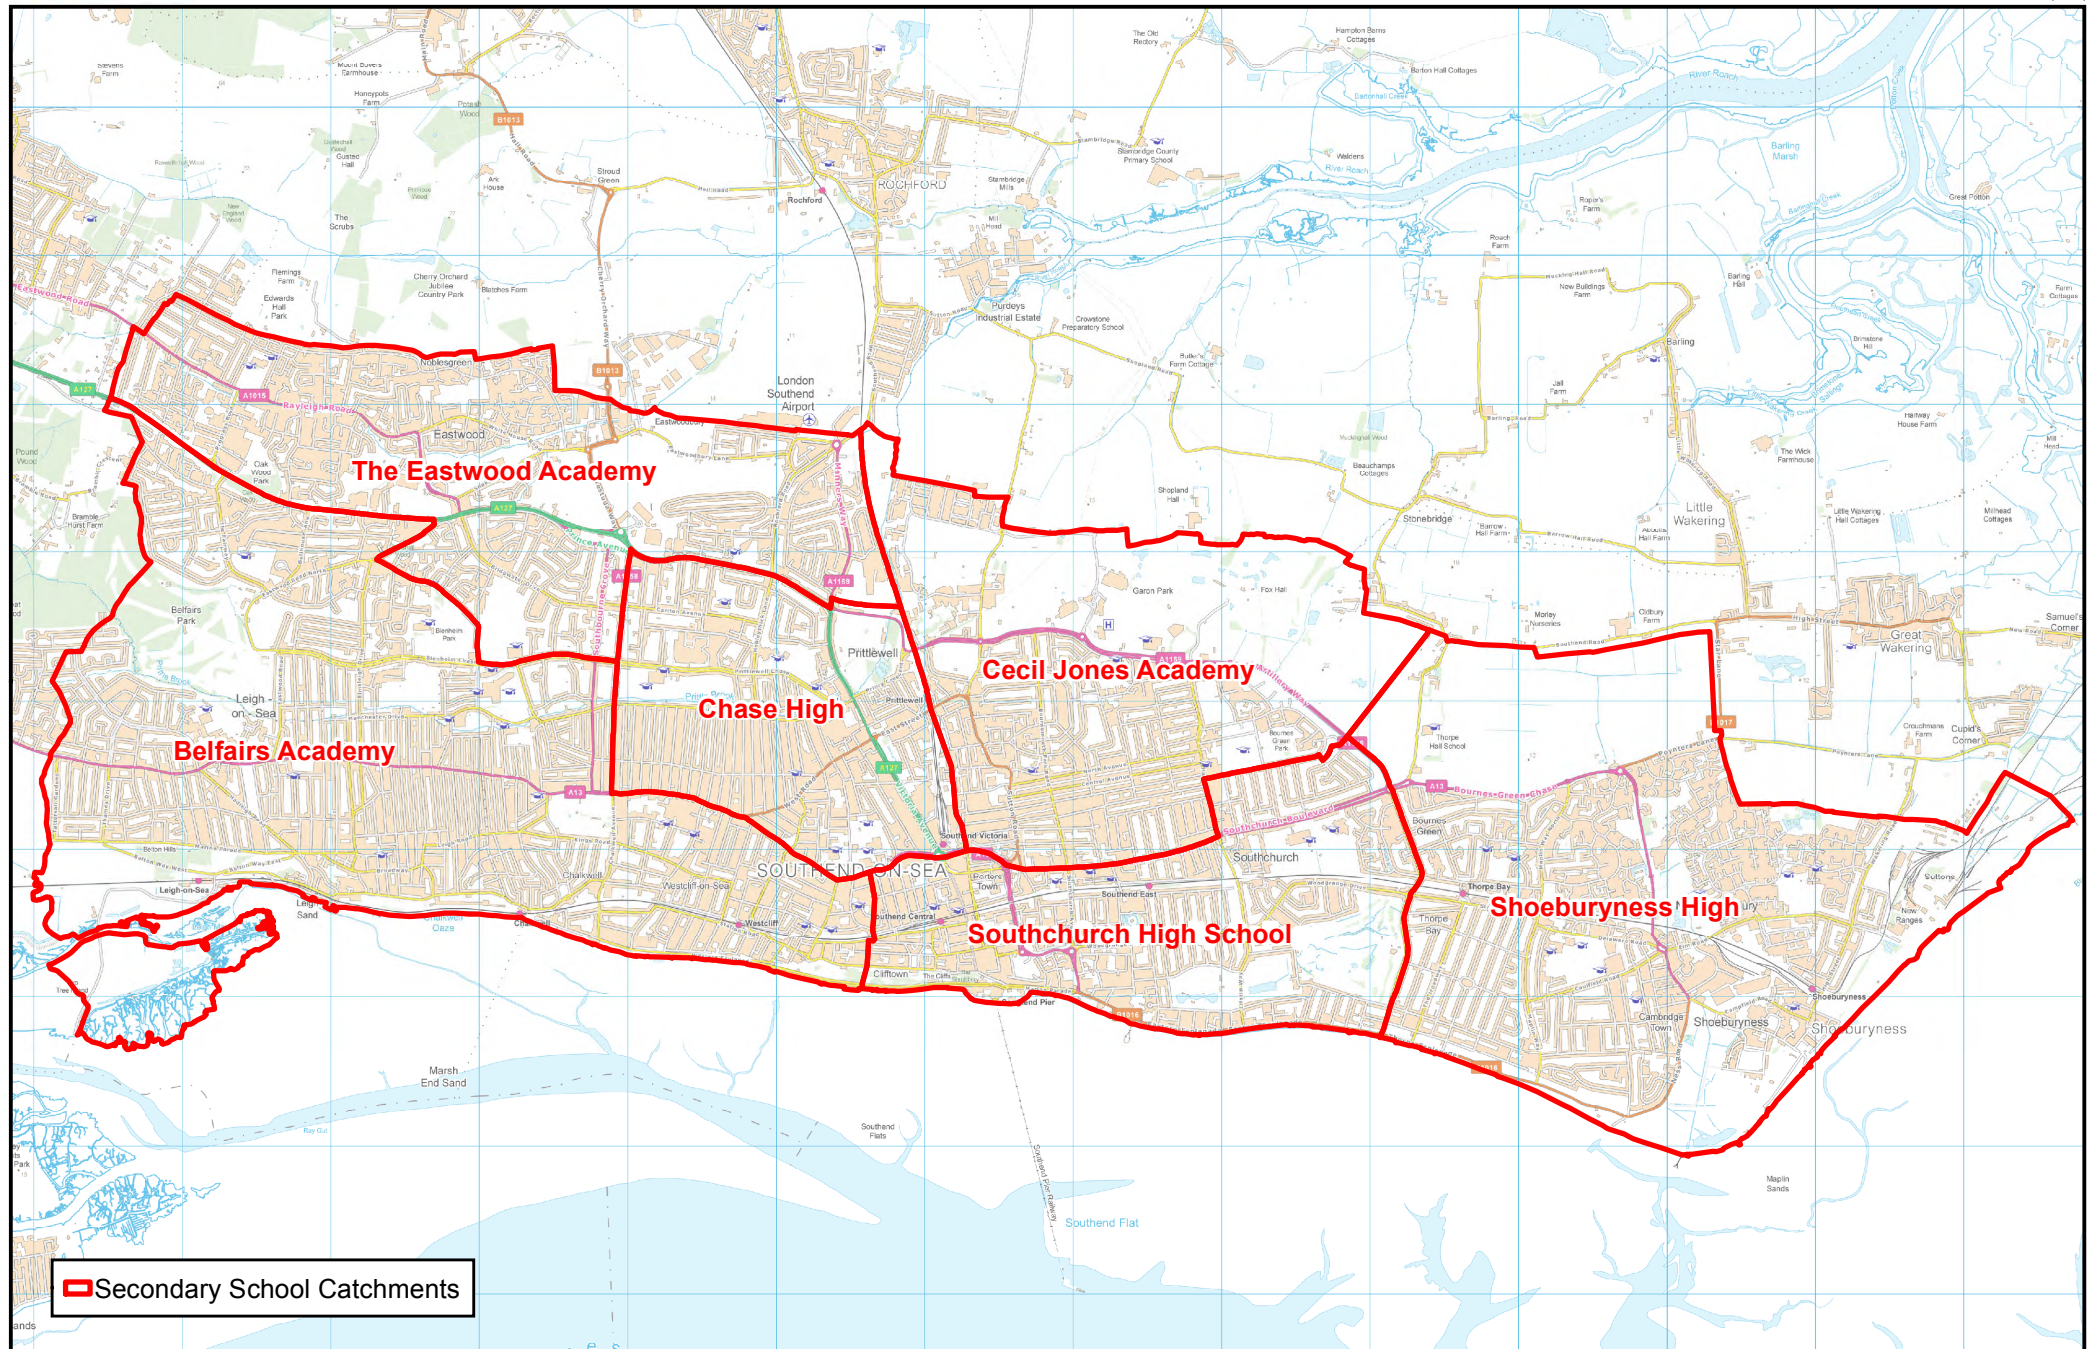

Waiting lists will be maintained by the School Admissions Team for all Southend schools until August 2019. From September 2019 waiting lists become the responsibility of individual secondary schools and any enquiries about the waiting list must be referred directly to the school. All waiting lists must be held at least till the end of December. Pupils should check with the school as to the period the waiting list is held.

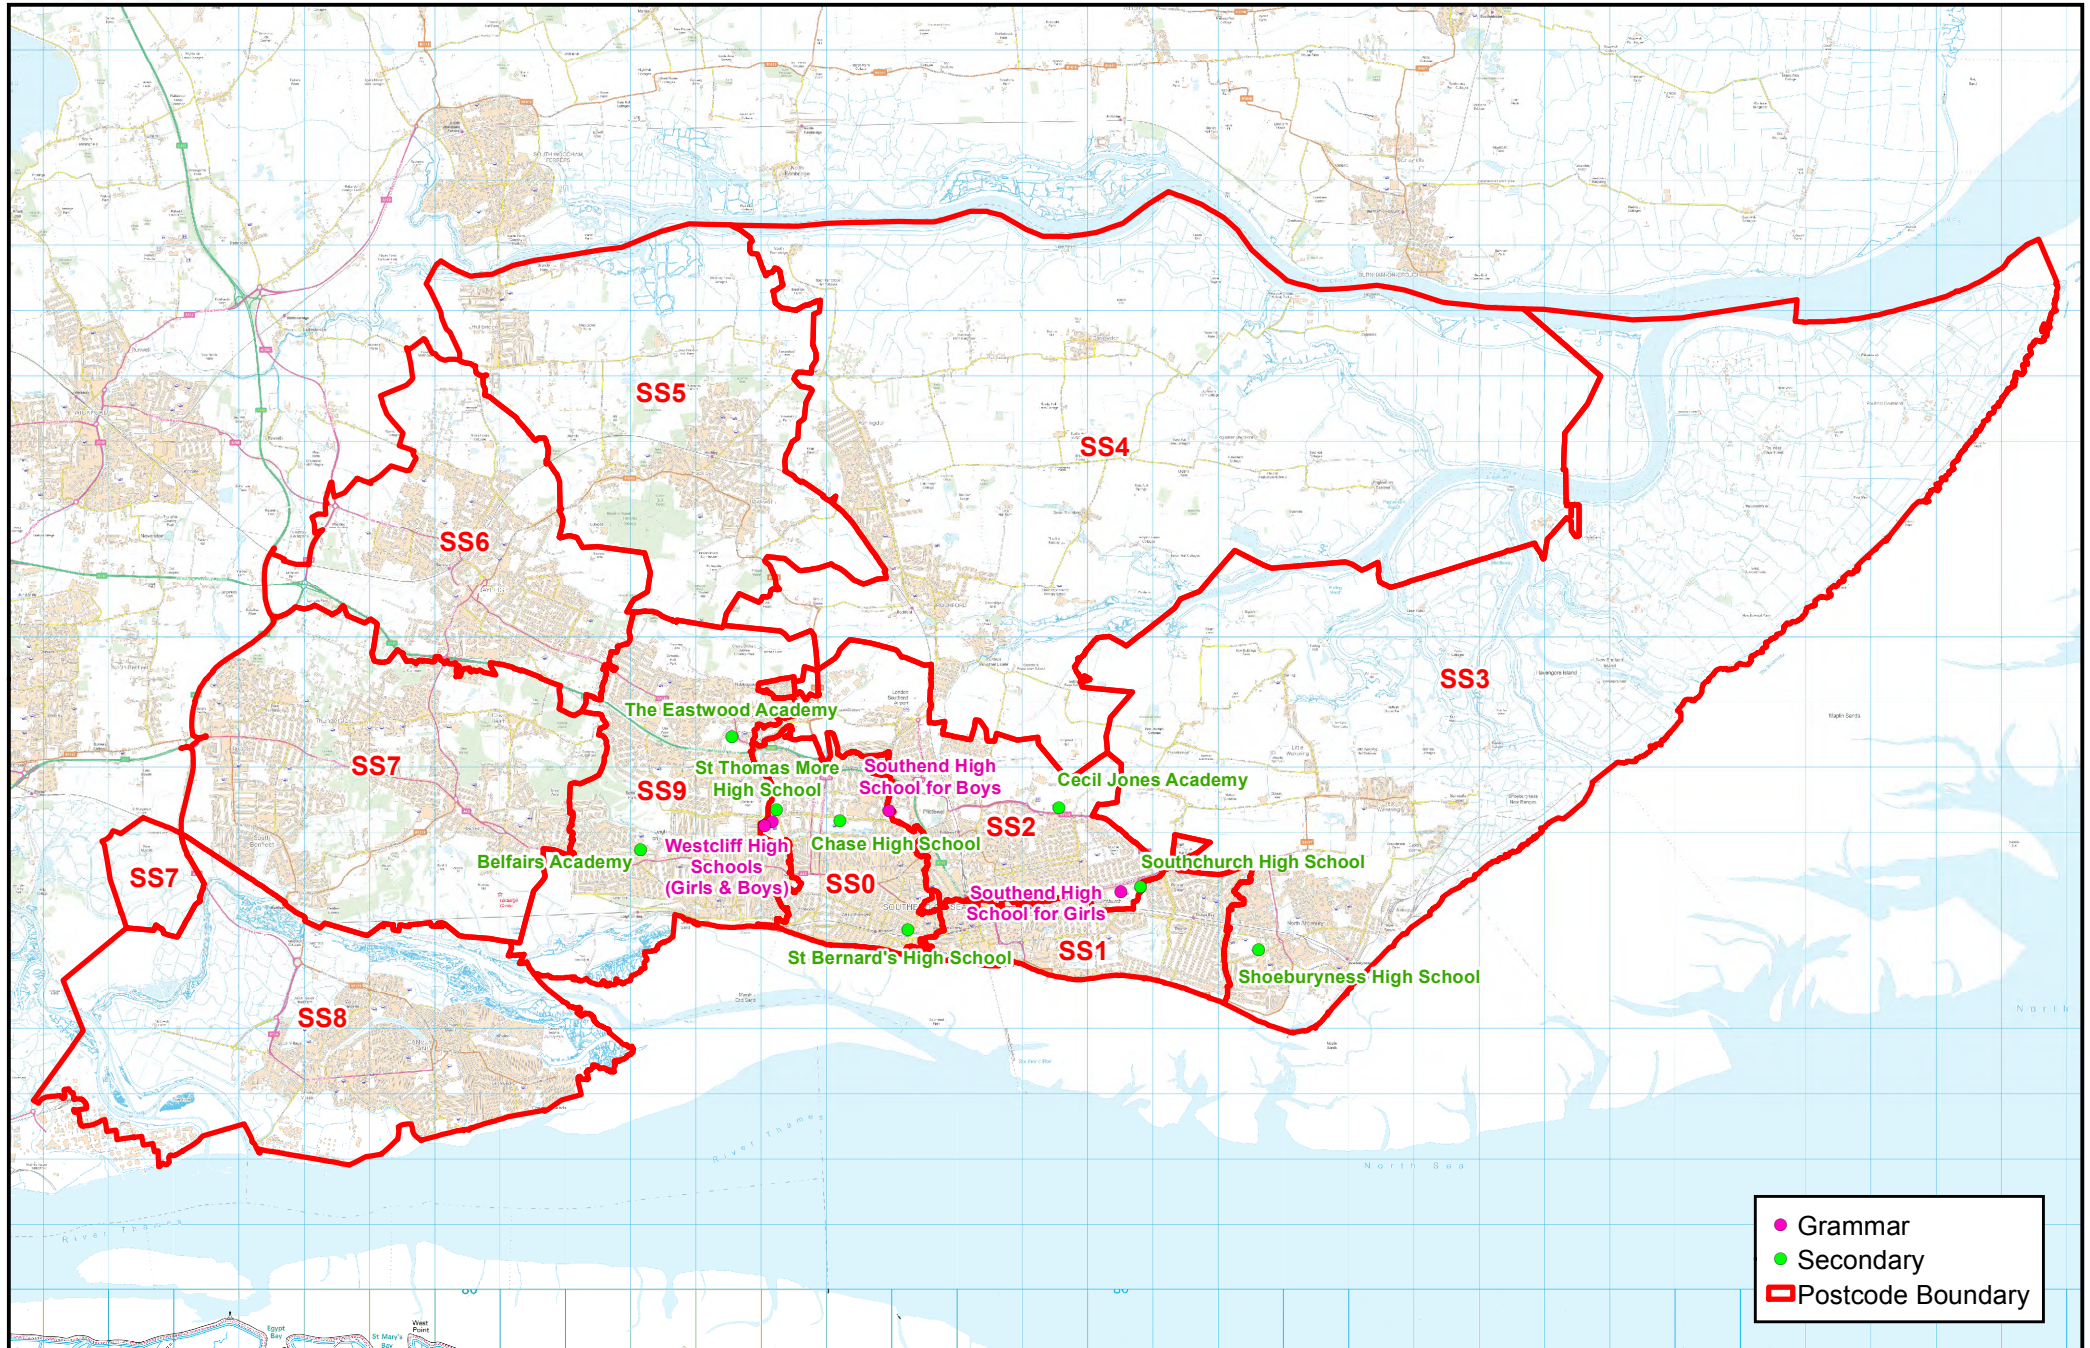

School catchment areas

The map on page 18 provides an illustration of the catchment areas for Belfairs Academy, The Eastwood Academy, Chase High School, Cecil Jones Academy, Southchurch High School and Shoeburyness High School.

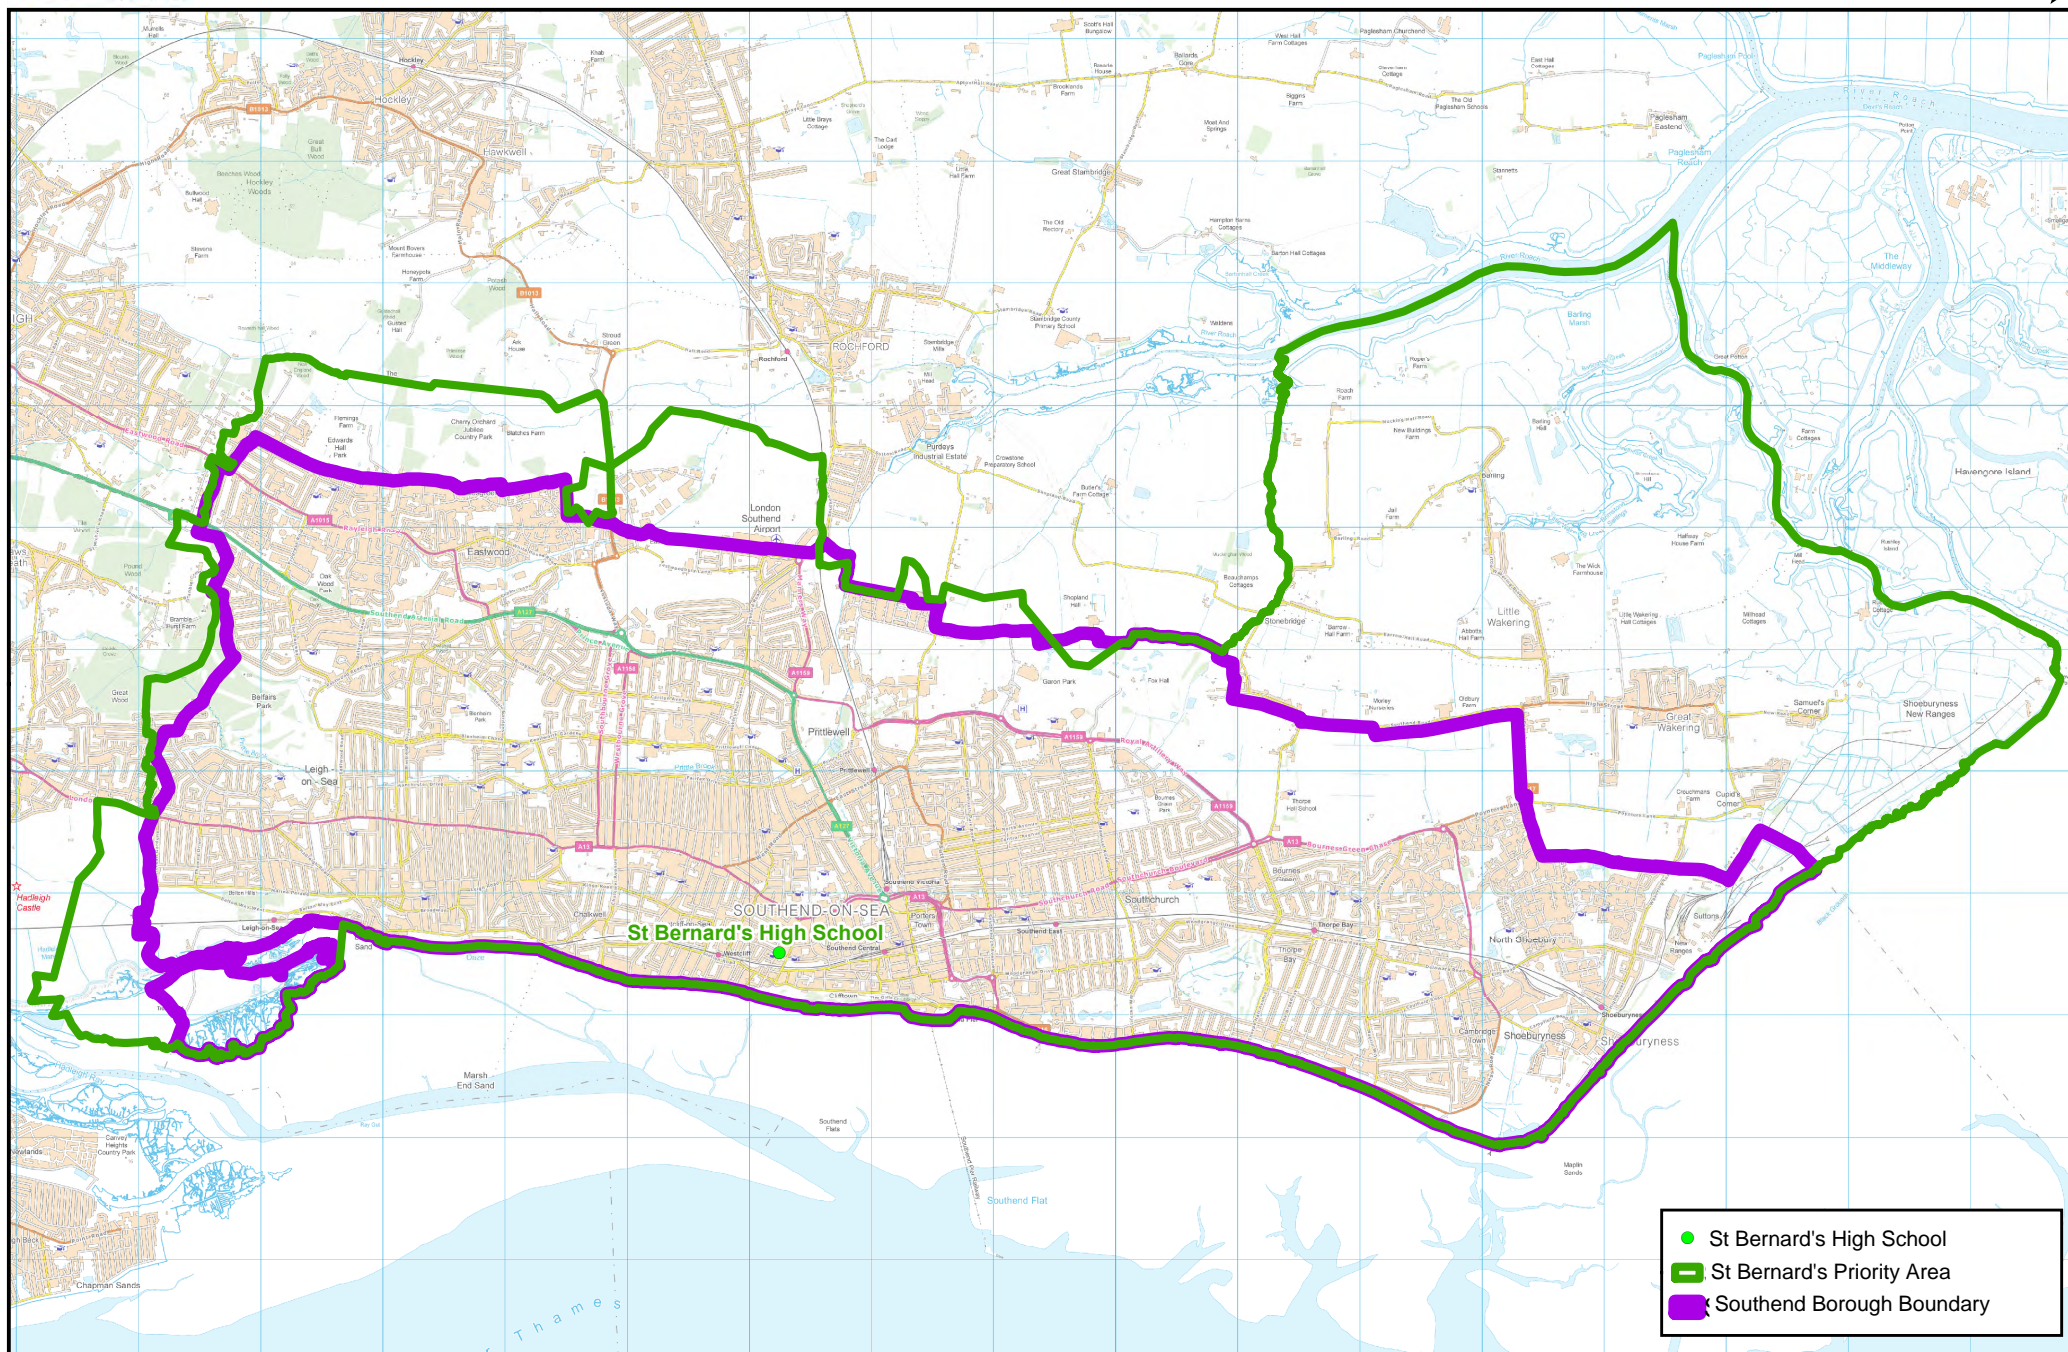

There is no guarantee of a place at any school even if you live in the catchment area although most schools give a high priority to pupils living in their catchment area. It is recommended that you should use one of your preferences on the Common Application Form for your catchment area school. All schools have a published admission number above which they will not admit. Details of the individual schools admission limits are shown later in this book.

Illustrative Maps provide a general idea of catchment areas. Catchment areas can be checked on the postcode list - www.southend.gov.uk/admissions

Information about selective school admissions

Admission to some schools in Southend is determined by a selection test (the 11 +). It is open to any pupil to take the selection test to seek admission to these schools.

The four grammar schools (Southend Boys, Southend Girls, Westcliff Boys and Westcliff Girls) only admit pupils through the selection test. If you are applying for a place at a grammar school in Southend we recommend that you apply to both grammar schools. Applying to both boys' grammar schools or both girls' grammar schools will improve your chances of being offered a place if your child achieves the pass mark.

Three other schools in Southend (Shoeburyness, St. Bernard's & St. Thomas More) admit a proportion of their intake through the selection test. Admission to these three schools through the selection test is in addition to admission through their main criteria. This means that if you are applying for a selective place at any of these schools you only need to put one preference for the school on your application. You should indicate on the application form, in the tick box provided, that you are applying for a selective place. You will automatically be considered through the main criteria as well and this does not count as an additional preference.

The seven Southend schools on page 22 have combined with one grammar school in Chelmsford and two grammar schools in Colchester to form the Consortium of Selective Schools in Essex (CSSE). This consortium enables pupils to take a common selection test (the 11+), which can then be considered by all the 10 schools – instead of pupils having to take a separate test for each school.

The allocation of places at each of the schools is determined by the score in the selection test, but how this is applied will vary between the schools and you need to read the admissions criteria carefully for each school. For example the four Southend Grammar schools give preference to those pupils living within a defined geographical area that includes all addresses with a postcode SS0 to SS9 inclusive. A copy of a map detailing the defined area is shown on page 19.

A pass mark for the examination is set annually, which ensures that the entrance standard remains comparable with that obtained in the period 1990 – 1994.

To take part in this year's CSSE test you must register for the selection test. You will need to complete a registration form online at www.csse.org.uk by the closing date 20th July 2018. The Test Registration Form allows parents to choose where they would like their child to sit the selection tests.

Please contact the CSSE for information regarding the test.

Once parents have received the outcome of the selective test they can then submit an application for a school place to the Local Authority which must be done by the closing date.

It is the Local Authority which will identify those to whom places are to be offered, taking into consideration both a pupil's performance in the entrance examination and the expressed sequence of parental preferences. Offers will be sent to pupils on National Offer Day.

11+ test results

Test results will be sent by first class post to all candidates on the 15th October 2018.

Accompanying the 11+ test results will be a guidance sheet detailing the likely 11+ score your child will need to attain in order to gain a place at the individual CSSE Schools.

A look up facility for test results will be available from the 15th October from 9am for candidates who have registered online. **Please allow until 19th October 2018 for receipt of postal results before contacting the CSSE office.**

Schools that allocate places based on Aptitude

The only school in Southend that admits children based on aptitude is The Eastwood Academy. The school admits up to a limit of 10% of the Published Admission Number (220).

Three schools in Essex which are within a reasonable travelling distance of Southend also admit on aptitude. The Appleton School in Benfleet offers places based on an aptitude for modern languages. The Deanes School in Thundersley offers places based on an aptitude for sport. King John School in Benfleet may allocate up to 15% according to the results of a test of general ability. Parents should contact the above schools directly for details of registration dates. Contact details are on page 64.

School admission appeals

If your child is refused a place at any school that you have put as a higher preference, you have the right to appeal against the decision to an independent admission appeals panel. Even if you are intending to appeal we always advise parents to accept the school place currently being offered. **Most parents are not successful in their appeal and accepting a place gives you the security of a school place.** It should be noted that in all cases the decision of the admission appeals panel is final and binding on all parties.

The School Admission Appeals Code sets out a strict timetable for the hearing of appeals. For secondary admissions, appeals resulting from applications made before the closing date must be heard by **May/June 2019**. Appeals resulting from late applications should ideally be held at the same time as on-time applicants but if this is not feasible they must be heard within 30 school days of the appeal being lodged.

You will be advised in advance of the date of your meeting, called a 'hearing'. Wherever possible the appeal hearings will take place in the area local to the school for which you are appealing.

You are encouraged to attend your appeal in person. If you do not attend, and do not inform the clerk, the panel may consider your appeal in your absence. You should remember that if your appeal is heard in your absence, the panel will be unable to ask further questions about any details of your case, which they may wish to clarify, before reaching a decision. Your appeal will usually be heard in private and as informally as possible. If you wish you may bring a friend, relative or representative. At least seven working days before the hearing you will be sent a written summary of the admission authority's case for not being able to offer your child a place at the referred school.

All Secondary schools in the Borough are responsible for arranging their own appeals. If you wish to appeal you should contact the school directly.

At your hearing

There will normally be three panel members who will be introduced to you. A clerk will also be present to record the panel's decisions and advise on the law and procedure. A

representative of the admission authority (the school or the LA depending on the type of school) will present the case for not meeting your preference.

The panel will have copies of your appeal (plus any letters or additional information you may have sent in support of your appeal) together with information on why your preference has not been met. If you attend, the hearing will usually follow this pattern:

- the case for not meeting your preference will be presented;
- you, or your representative, may ask questions;
- you, or your representative, will present your case;
- you may be asked questions;
- the reasons for not meeting your preference will be summarised;
- you, or your representative, will be given the opportunity to summarise your case.

The decision

The panel will, firstly, decide whether the school or LA has demonstrated why it cannot admit any more children. If the panel is satisfied that the admission authority has proven this, it will go on to consider all the points you have made. The second part of the hearing is based on balancing the need of the individual child against the effect on the school of admitting another child. The clerk to the panel will write to you, ideally within five working days, although this may not be possible where there are multiple appeals for one school, telling you of the appeal panel decision and the reasons for it. The decision is binding on both parties.

Where a parent's appeal is not successful, we will not consider another application for the same school in the same academic year unless there have been significant and material changes in the circumstances of the parent, child or school, which could warrant a new application. These changes have to relate to the new application and not be connected with the result of the first application.

The Local Government Ombudsman can investigate complaints of maladministration. For Academies, the Education Funding Agency can investigate such complaints.

Other Admission Matters

In-year applications for secondary school

Applications for a secondary school place outside the normal round of admission are referred to as "In-year Admissions". This is for admission to years 8–11 at any time and during the year for year 7. Parents can apply if their child has already started school and wish to move them to another school or if they are new to the borough and require a school place.

Parents should contact the schools directly for in-year admissions for all secondary schools in Southend and Essex.

In-year Fair Access Protocols

The School Admissions Code requires each Local Authority to have a Fair Access Protocol in place to ensure that access to education is secured quickly for children, especially the most vulnerable, who have no school place, and to ensure that all schools in the area admit their fair share of children who may present challenges to a school. The full policy is available on the website.

Applications for a place in a school 6th Form

All applications for places in a school 6th Form must be made directly to the school concerned. The school will be able to provide information regarding the courses they offer and the academic entry requirements. Information is also included on the Borough Council's website www.southend.gov.uk

Parents must notify The School Admissions Team at the Council if they are unsuccessful at securing a school place on 01702 212 934.

Pupils in public care requiring a school place outside the normal round

Children in public care that require admission outside the normal round, gain top priority on the oversubscription criteria and where necessary may be admitted over number. The nearest school with places will be considered in the first instance. This may be more complex for admission to faith or selective/partially selective schools as admission criteria will have to be met, such as academy level or faith category.

Enquiries on your application

A request from a parent for information about their child's school admission application is made in line with the requirements of the General Data Protection Regulation (GDPR). A parent who was not the applicant does not have an automatic right to information about his/her child. This also applies to any other family member. If The School Admissions Team are contacted by anyone other than the parent who made the original application **we must not provide any information unless we have the agreement in writing from the parent who made the application.**

How we use your information

For details on our Privacy Notice (how we use your information) please see the Council's website.

Secondary Schools in Southend-on-sea

The following few pages give information on the state mainstream secondary schools in the borough.

The following information is provided

- School Admission Arrangements for mainstream schools in the borough of Southend-on-Sea;
- school contact details;
- school website address;
- the school admission limit (also known as Published Admission Number – PAN);
- number of places allocated in the last five years to year 7 (data under 10 is suppressed to protect the identification of children).
- Data that is less than 10 children has been suppressed to protect the potential identification of individual children. This is under the GDPR.

NB for admissions to 6th form parents must consult the school admission criteria which is available as a separate document on the Council's website and on the respective school web sites.

A reminder that applications for secondary sector independent/fee paying schools are made directly to the school. There is one secondary independent/fee paying school in the borough:

Thorpe Hall School which has a nursery, lower and upper school. Further details on www.thorpehall.southend.sch.uk

Admission Arrangements

If at the closing date for applications, there are not enough places for all those who have expressed a wish to have their child admitted to the Academy; places will be allocated using the admission criteria as below. Admission Criteria apply for admission to all year groups for this year.

Admission Criteria will not apply to children with statement of special educational needs (SEN) or Education, Health and Care (EHC) plans as the plan/statement names the school and therefore the child must be admitted to the named school. Refer to glossary for definition of EHCP. The admission criteria are listed below with explanatory notes following:

Admission criteria:

1. Looked after children and previously looked after children;
 2. Pupils who live in the catchment area who have a sibling attending the Academy;
 3. Pupils who live in the catchment area;
 4. Pupils of staff at the school;
 5. Pupils who live outside the catchment area who have a sibling attending the Academy;
 6. Pupils who live outside the catchment area
- for all criteria please see explanatory notes follow:**

Looked after children and Previously looked after children:

Refer to glossary for definition.

Siblings

A sibling is a child who will have an older brother or sister still at the Academy at the time of admission. (A sibling of the same parents, will be considered to be a brother or sister whether living at the same address or not. Fostered and adopted children and step, or half brothers and sisters, living at the same address will all be classed as siblings.)

Pupils of staff at the school

Children will be ranked in admission criteria 4, if they are children of staff at the school in either or both of the following circumstances:

- a) Where the member of teaching staff (including, staff that are at the school in positions, such as: Senior Leadership Team/level, Head of Year Group, Head of Department, Office Manager or SENCO) has been employed at the school for two or more years at the time at which the application for admission to the academy is made; and/or
- b) The member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage.

Distance and Tie Break

In the case of over subscription in any one category "straight line" distance will be used to measure the distance between the pupil's home and the nearest pupil entrance to the school. Distances will be measured using the Local Authority's computerised measuring system for the main round and google maps for in-year admissions. **The pupils living closest will be given priority.** If the pupil's home is a flat the distance will be measured to the main external entrance to the building.

Tie-Break to be used to decide between two applications that cannot otherwise be separated:

If the same distance is shared by more than one pupil, and only one place is available, the place will be awarded on the basis of a computerised random allocation process (supervised by someone independent of the Council / governing body). In the case were the last child offered is a twin or sibling of a multiple birth sibling both children will be offered and the sibling will be an 'excepted pupil'.

Distance where parents have separated

The distance is measured the same for all applications. Only one application can

be received. The Academy not the LA should not have the details of both parents or know of the marital status of the parents. If more than one application is received from parents, applications will be placed on hold until such time that:

- 'an application is made that both parents agree to; or
- 'written agreement is provided from both parents; or
- 'a court order is obtained confirming which parent's application takes precedence'

Details on address checks and which address is relevant are also provided early in this booklet. In all cases the child's normal place of residence is applicable for the purposes of the application.

Home Address

For all applications the address used will be the child's habitual normal place of residence as at the closing date for applications, i.e., 31st October 2018 changes to address will be updated after all on time applications have been processed.

Waiting lists

Children's names will automatically be on the waiting list if they did not receive an offer until the last day of the school year for which they applied, therefore - for year 7 it will be up to the end of the school year for year 7.

Over and Under age applications (children outside the usual age group):

Refer to the requirements earlier in the booklet and in addition the academy will support any over or under age application were the requirements have been met and the Academy is satisfied that the child should continue to be educated out of normal age group.

Appeals

Parents will also have the opportunity to appeal against the refusal. Parents can apply by submitting an appeal form which available on the Academy web site. Appeals for year 7 are heard according the published timetable and appeals for in-year admissions of 30 days.

In-year applications

Application for admission during year 7 and for years 8-11 must be made using the Academy application form on the website and submitted directly to the Academy

Catchment area

The catchment area is as illustrated on the catchment map earlier in the booklet. A postcode look up table is also available on the Council Website

www.southend.gov.uk/admissions

General matters

Prospectuses are available from the Academy. The application form used, relating to entry to the Academy is the Single Application Form used across the Local Authority. Parents wishing for their child to be considered for entry to Belfairs Academy must name the Academy as one of their preferences on the form, which will be returned to the Local Authority by the advertised closing date.

Admission at age 16

Prospective Sixth form students are encouraged to attend an Open Evening held at the Academy in the autumn term. Admission criteria for 6th form are also available on the Council website.

Published Admission Number: 220 (year 7); 200 (years 8-10) and 180 (Year 11)

Admission Arrangements

If at the closing date for applications, there are not enough places for all those who have expressed a wish to have their child admitted to the Academy; places will be allocated using the admission criteria as below. Admission Criteria apply for admission to all year groups for this year.

Admission Criteria will not apply to children with statement of special educational needs (SEN) or Education, Health and Care (EHC) plans as the plan/statement names the school and therefore the child must be admitted to the named school. Refer to glossary for definition of EHCP. The admission criteria are listed below with explanatory notes following:

Admission criteria:

1. Looked after children and previously looked after children;
 2. Pupils who live in the catchment area who have a sibling attending the Academy;
 3. Pupils who live in the catchment area;
 4. Pupils of staff at the school;
 5. Pupils who live outside the catchment area who have a sibling attending the Academy;
 6. Pupils who live outside the catchment area
- for all criteria please see explanatory notes follow:**

Looked after children and Previously looked after children

Refer to glossary for definition.

Siblings

A sibling is a child who will have an older brother or sister still at the Academy at the time of admission. (A sibling of the same parents, will be considered to be a brother or sister whether living at the same address or not. Fostered and adopted children and step, or half brothers and sisters, living at the same address will all be classed as siblings.)

Pupils of staff at the school

Children will be ranked in admission criteria 4, if they are children of staff at the school in either or both of the following circumstances:

- c) Where the member of teaching staff (including, staff that are at the school in positions, such as: Senior Leadership Team/level, Head of Year Group, Head of Department, Office Manager or SENCO) has been employed at the school for two or more years at the time at which the application for admission to the academy is made; and/or
- d) The member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage.

Distance and Tie Break

In the case of over subscription in any one category "straight line" distance will be used to measure the distance between the pupil's home and the nearest pupil entrance to the school. Distances will be measured using the Local Authority's computerised measuring system for the main round and google maps for in-year admissions. The pupils living closest will be given priority. If the pupil's home is a flat the distance will be measured to the main external entrance to the building.

Tie-Break to be used to decide between two applications that cannot otherwise be separated

If the same distance is shared by more than one pupil, and only one place is available, the place will be awarded on the basis of a computerised random allocation process (supervised by someone independent of the Council / governing body). In the case where the last child offered is a twin or sibling of a multiple birth sibling both children will be offered and the sibling will be an 'excepted pupil'.

Distance where parents have separated

The distance is measured the same for all applications. Only one application can be received. The Academy not the LA should not have the details of both parents or know of the marital status of the parents. If more than one application is received from parents, applications will be placed on hold until such time that:

- 'an application is made that both parents agree to; or
- 'written agreement is provided from both parents; or
- 'a court order is obtained confirming which parent's application takes precedence'

Details on address checks and which address is relevant are also provided early in this booklet. In all cases the child's normal place of residence is applicable for the purposes of the application.

Address closing date

For all applications the address used will be the child's habitual normal place of residence as at the closing date for applications, i.e., 31st October 2018 changes to address will be updated after all on time applications have been processed.

Waiting lists

Children's names will automatically be on the waiting list if they did not receive an offer until the last day of the school year for which they applied, therefore - for year 7 it will be up to the end of the school year for year 7.

Over and Under age applications (children outside the usual age group)

Refer to the requirements earlier in the booklet and in addition the academy will support any over or under age application were the requirements have been met and the Academy is satisfied that the child should continue to be educated out of normal age group.

Appeals

Parents will also have the opportunity to appeal against the refusal. Parents can apply by submitting an appeal form which available on the Academy web site. Appeals for year 7 are heard according the published timetable and appeals for in-year admissions of 30 days.

In-year applications

Application for admission during year 7 and for years 8-11 must be made using the Academy application form on the website and submitted directly to the Academy

Catchment area

The catchment area is as illustrated on the catchment map earlier in the booklet. A postcode look up table is also available on the Council Website

www.southend.gov.uk/admissions

General Information

Prospectuses are available from the Academy. The application form used, relating to entry to the Academy is the Single Application Form used across the Local Authority. Parents wishing for their child to be considered for entry to Belfairs Academy must name the Academy as one of their preferences on the form, which will be returned to the Local Authority by the advertised closing date.

Admission at age 16

Prospective Sixth form students are encouraged to attend an Open Evening held at the Academy in the autumn term. Application details, including a prospectus and more specific course and curriculum information is available on this night and via the Academy website.

In all cases the use of any particular address to determine allocation would be on the basis of the child's normal place of residence during the majority of the school week. If it is claimed that a child spends an equal amount of time at separate addresses during the school week, the address where the 'child benefit' is normally payable would be taken into account and clarification would be sought from the Child Benefit Agency.

Catchment area

The catchment area is as illustrated on the catchment map earlier in the booklet. A postcode look up table is also available on the Council Website

www.southend.gov.uk/admissions

Waiting list

In accordance with the School Admissions Code, if the school is over-subscribed any application received after the identified closing date will be slotted into the waiting list in the appropriate position (according to the admissions criteria) once the initial offers of places have been made. Waiting lists are held by the school for the school year and cease on the last day of the school year.

Parents wishing to stay on the waiting list for the following year must reapply.

Address closing date

For all applications the address used will be the child's habitual normal place of residence as at the closing date for applications, i.e., 31st October 2018 changes to address will be updated after all on time applications have been processed.

Arrangements for appeals

If it is not possible to offer your child a place, details of the appeals process can be found on Chase High School website or alternatively will be forwarded to you by the school.

Siblings

Siblings are considered to be a brother or sister, half-brother or half-sister, step-brother or stepsister, adopted brother or sister, living at the same address, who attends the school at the time of application with a reasonable expectation that

he or she will still be attending at the time of the proposed admission. In the exceptional situation where one twin or one or two triplets are refused a place, in order to keep family members together the additional pupil(s) will be admitted even if this results in the admission limit for the year group being exceeded.

Over and Under age applications (children outside the usual age group)

Refer to the requirements earlier in the booklet and in addition the academy will support any over or under age application where the requirements have been met and the Academy is satisfied that the child should continue to be educated out of normal age group.

In-Year Admissions (Years 7-11)

Application forms for in-year admissions can be found on the school website and sent directly to the school.

Southend High School for Boys

Headteacher: Dr Robin Bevan

Address: Prittlewell Chase, Westcliff-on-Sea, SS0 ORG **Tel:** 01702 606 200

Email: enquiries@shsb.org.uk

Website: www.shsb.org.uk

Published Admission Number: 180 for all year groups (150 Priority places and 30 non Priority)

1. Southend High School for Boys is a selective boy's school. Admission to the school at age 11 is determined through a selection procedure administered by the Consortium of Selective Schools in Essex (CSSE). These admission criteria are to be read in conjunction with the locally agreed co-ordinated admissions scheme
2. For the **September 2019 intake, the school's published admission number (PAN) is 180. The PAN for each year group (7-11) for 2019 is 180.**
3. The CSSE Supplementary Information Form (SIF) must be completed in order to register a child to sit the selection tests and should be returned to the CSSE by the published deadline. It can also be completed on line and accessed through the CSSE website at: www.csse.org.uk.
4. Tests in English and mathematics will be taken in September each year at the school parents have identified on the SIF. Sample practice papers are available free-of-charge on the CSSE website along with full details of the application process.
5. The CSSE will send the results of the tests by first-class post in October on the date specified annually by the CSSE.
6. Parents must express a preference for this school on their Local Authority (LA) Single Application Form (or Common Application Form) in order for their child to be considered for a place. [The deadline for completing this form if you live within the Southend or Essex Local Authorities is 31st October 2018 (subject to confirmation).]
7. Children under the age of 11 on 31st August 2018 may, exceptionally, be allowed to sit the tests. The application to sit the tests must be approved by the Governing Body of any one of the CSSE schools to which they intend to apply. However, admission to each of those schools is at the discretion of the individual Governing Bodies. The application will be processed through the Local Authority Co-ordinated Admissions Procedure.
8. The offer of a place is dependent upon passing the selection tests. However, passing the selection tests is not a guarantee of being offered a place. A pass mark for the tests is set annually, which ensures that the entrance standard remains

comparable to that which was applied in the period 1990 to 1994. No pupil will be admitted below this pass mark. The school determines admission in the order of priority set out below:

- i) Where the school is named in a child's statement of special educational needs and the child passes the selection tests, the school and the Local Authority have a duty to admit the child.
- ii) **Priority is given to those candidates whose parents' primary residence** (as assessed by receipt of Child Benefit or a signed affidavit or other legal document to confirm the child's usual place of residence) **lies within the postcode areas SSO, SS1, SS2, SS3, SS4, SS5, SS6, SS7, SS8 and SS9, subject to their passing the entrance examination.** A quota of up to 5/6 of the published admissions number is reserved at this school for children in this category. Places are allocated in order of the mark achieved, higher passing candidates first. The school is 'full' within the priority area when it has taken its full quota of pupils from within that area or when there are no more passing candidates who have listed the school as a preference.
- iii) **Priority will be given thereafter to those candidates whose parents' primary residence** (as assessed by receipt of Child Benefit or a signed affidavit or other legal document to confirm the child's usual place of residence) **lies outside the postcode areas SSO, SS1, SS2, SS3, SS4, SS5, SS6, SS7, SS8 and SS9, subject to their passing the entrance examination.** In the case of children applying in this category, places will be offered according to the order of merit of those who sit and pass the entrance examination. The candidates who score higher marks will be allocated places before those who pass at a lower level. This process will continue until all available places have been filled.

9. In the event of pupils achieving the same mark for the last available place, preference will be given on the following basis:

- i) Where the candidate is a child in public care (looked after child), and children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order) their case will be considered ahead of candidates not in public care.
- ii) Where a child is not in public care preference will be given to the pupil who lives closest to the school as measured in a straight line from the front door of the child's home address (including flats) to the nearest pupil entrance to the school, with those living nearest being given preference. Distances will be measured using the Local Authority's computerised measuring system. If the same distance is shared by more than one pupil and only one place is available, the place will be awarded on the basis of a computerised random allocation process (supervised by someone independent of the Governing Body). (If a child lives with different parents for part of a week, the 'home' address will be deemed to be the child's residence for the major part of that week, and in the event of this being equal, the deciding factor will be the address to which child benefit would be payable.)

10. If a school place is obtained through fraudulent means, the offer of a place would be withdrawn. This can include the removal of a pupil once started at the school.

11. All parents have a statutory right of appeal against non-admission, which may be exercised only after school places have been offered. Appeals must be lodged directly with the school within 20 school days of the date of notification that their application was unsuccessful. Panel hearings take place within 40 school days of the deadline for lodging appeals.

Email: office@shsg.org

Website: www.shsg.org

Published Admission Number: 180 for all year groups (135 Priority places and 45 non Priority)

1. Southend High School for Girls is a selective girls' school. Admission to the school at age 11 is determined through a selection procedure administered by the Consortium of Selective Schools in Essex (CSSE).
2. **For the September 2019 intake, the school's published admission number is 180. The PAN for each year group for 2019 is 180**
3. The CSSE Supplementary Information Form (SIF) must be completed in order to register a child to sit the selection tests and should be returned to the CSSE by the published deadline. It can also be completed on line and accessed through the CSSE website at: www.csse.org.uk.
4. Tests in English and mathematics will be taken in September each year at the school parents have identified on the SIF. Sample practice papers are available free-of-charge on the CSSE website along with full details of the application process.
5. The CSSE will send the results of the tests by first-class post in October on the date specified annually by the CSSE.
6. Parents must express a preference for this school on their Local Authority (LA) Single Application Form (or Common Application Form) in order for their child to be considered for a place. [The deadline for completing this form if you live within the Southend or Essex Local Authorities is Wednesday 31st October 2018 (subject to confirmation).]
7. Children under the age of 11 on 31st August 2018 may, exceptionally, be allowed to sit the tests. Home Address:

For all applications the address used will be the child's habitual normal place of residence as at the closing date for applications, i.e., 31st October 2018 changes to address will be

updated after all on time applications have been processed.

IN-YEAR ADMISSIONS PROCEDURE (For entry outside the normal CSSE 11+ selection procedure)

12. Parents who wish to apply for a place in Years 7 – 11 at Southend High School for Girls (after the first week of the autumn term in the case of new year 7 students) should contact the school to request an application form or obtain a copy of the application form from the school web site.
13. On receipt of the application form, if there are vacant places in the year group concerned we will invite the applicant together with any other applicants for the same year group to sit a series of tests at the school. These tests will be in English, Mathematics and Science.
14. If upon receipt of the application form, there are no vacant places in the year group concerned, the applicant is placed on a waiting list. The waiting list will be kept for two years.
15. If a place subsequently becomes available in the year group concerned, the applicants for the particular year group will be invited in to sit the tests. No more than one application can be made in any one academic year.
16. If, based upon her performance, an applicant is deemed to meet the required standard for entry into the relevant year group; the Headteacher will offer a place on behalf of the Governors' Admissions Committee.
17. If there are more applicants deemed to have met the required standard than there are places; then places will be awarded strictly according to the rank order based upon the overall performance of the applicants.
18. Ability in English, Mathematics and Science is indicative of a pupil's ability to cope with the demands of academic subjects in general; therefore, where a candidate scores below the bottom quartile of our own students in these subjects; that candidate will be deemed to be unsuitable for entry into the relevant year group.
19. Parents of an unsuccessful applicant have a right of appeal to an independent appeal panel.

St Bernard's High School for Girls

Headteacher: Mr A Sharpe

Address: Milton road, Westcliff-on-Sea, SS0 7JS

Tel: 01702 343 583

Email: office@stbernards.southend.sch.uk

Website: www.stbernardswestcliff.org.uk

Published Admission Number: 175* (year 7) (*subject to expansion consultation from 145 to 175) and 145 (years 8-11)

THE ALLOCATION OF PLACES

Up to 63 selective places will be offered to girls who have passed the 11+ Exam Selective Test as administered by the Consortium of Selective Schools in Essex and whose normal place of residence lies within the priority area (map provided earlier in this booklet). If two or more girls tie for the final selective place, then it will be awarded using the oversubscription criteria.

To enable the school's Governing Body to apply its admissions criteria, it will be necessary for parents to complete the school's Supplementary Information Form (SIF) in addition to the Local Authority form. Where appropriate, the SIF should be supported by a Certificate of Catholic Practice obtained from the applicant's Parish Priest (or another Priest who knows the family well).

Applications which are not supported by a completed Supplementary Information Form will fall into Category J of the oversubscription criteria. If at the time of admission there are more applications than there are places the Governors will apply the following oversubscription criteria to rank applications in priority order. Non-Selective places will be offered **to bring the total intake for the year to 175.**

Oversubscription Criteria

- Catholic children in public care or who were previously in public care
- Practising* Catholic girls living in the following parishes, whose application is supported by a Certificate of Catholic Practice from their Parish Priest: Our Lady of Lourdes, Leigh-on-Sea; St. Helen's, Westcliff-on-Sea; Sacred Heart, Southend-on-Sea; St. Teresa's, Rochford; St. George's, Shoebury; St. Peter's, Eastwood; St. John Fisher, Prittlewell; Holy Family, South Benfleet; Our Lady of Ransom, Rayleigh and Our Lady of Canvey, Canvey Island.
- Other practising Catholic girls whose application is supported by a Certificate of Catholic Practice from their Parish Priest.
- Baptised Catholics whose application is not supported by a Certificate of Catholic Practice from their Parish Priest.

- Other children in public care or who were previously in public care (see explanatory notes below)
- Girls of the Eastern Orthodox Church and whose normal place of residence lies within the priority area (see map attached) whose application is supported by their priest.
- Practising Christian girls attending Catholic Primary schools, whose application is supported in writing by their Minister.
- Practising Christian girls whose normal place of residence lies within the priority area (refer to map) and whose application is supported in writing by their Minister.
- Non-Christian girls whose normal place of residence lies within the priority area (see map attached) and whose application is supported in writing by their local religious leader
- Applications from girls who do not fall into the above categories.

Notes:

Preference will be given within each of the above categories according to the following criteria:-

- girls with a sibling** at the school or at St. Thomas More High School, Westcliff at the time of admission.
- proximity of the child's home to the school, as measured by the shortest route; those living closest to the school being accorded the highest priority.

Where a child resides at more than one address the distance will be measured using the address where they reside for the majority of the time.

Definitions:

*Practising—to meet the term practising the minister who supplies the letter in support of the application must indicate that the child is practising her faith. For practising Catholic children this is a Certificate of Catholic Practice from their Parish Priest.

**A sibling is defined as the full, half, step, adopted and long term fostered siblings at St Bernard's High School or St. Thomas More High School who reside in the same household at the time of admission.

In the case of over subscription in any one category “straight line” distance will be used to measure between the pupil’s home and the nearest pupil entrance to the school. If the pupil’s home is a flat the distance will be measured to the main external entrance of the building. If the same distance is shared by more than one pupil, and only one place is available, the place will be awarded on the basis of a computerised random process (supervised by someone independent of the Governing body).

Proof of Baptism—in order to apply the admissions criteria fairly proof of baptism will be required. Catholic children baptised in parishes other than the named parishes (criteria B) and all other Christian children will be required to include a copy of their Baptismal Certificate, if appropriate, with their application. In the named parishes confirmation of Baptism will be sought from the Parish Priest at the same time as a Certificate of Catholic Practice.

Explanatory notes for admission arrangements:

1. Looked after children and Previously looked after children

Refer to glossary for definition.

2. Statement of Special Educational Need (SEN) and Education Health and Care Plan

Refer to glossary for definition.

3. Distance where parents have separated The distance is measured the same for all applications.

Only one application can be received. The LA should not have the details of both parents or know of the marital status of the parents. If more than one application is received from parents, applications will be placed on hold until such time that:

- an application is made that both parents agree to; or
- written agreement is provided from both parents; or
- a court order is obtained confirming which parent's application takes precedence’.

Details on address checks and which address is relevant are also provided in the admission booklet.

In all cases the child's normal place of residence is applicable for the purposes of the application.

4. Waiting Lists

Waiting lists: Lists for each intake year are kept for students wishing to remain on our waiting list. Admission, if a vacancy becomes available, is strictly in the order of the admissions criteria.

5. Over and Under age applications (children outside the usual age group):

Refer to the requirements earlier in the booklet. In circumstances where a child transfers from another school already ‘outside of normal age group’, the school will support any over or under age application where the above has been met and the school is satisfied that the child should continue to be educated out of normal age group.

6. Home Address

For all applications the address used will be the child’s habitual normal place of residence as at the closing date for applications, i.e., 31st October. Changes to address will be updated after all on time applications have been processed.

7. In-Year Admissions

To apply for a Year 7 school place after the normal admission cycle or for admission into Years 8-11, parents will need to complete an In-Year application form and Supplementary Information Form (both available from the school and school website).

8. Appeals

Appeals against a decision of the Governors should be addressed to the Correspondent to the Governors within 2 weeks of the receipt of the decision. These appeals will be considered by an Independent Appeals Committee, before which parents are entitled to attend. 477 applications were received for the Year 7 places for September 2017.

Published Admission Number: 180 (years 7 & 8) and 150 (years -11)

To enable the school's Governing Body to apply its admissions criteria, it will be necessary for parents to complete the school's Supplementary Information Form (SIF) in addition to the Local Authority form. Where appropriate, the SIF should be supported by a Certificate of Catholic Practice obtained from the applicant's Parish Priest (or another Priest who knows the family well).

If at the time of admission there are more applications than there are places the Governors will apply the following oversubscription criteria to rank applications in priority order.

Oversubscription Criteria

- 1) Up to 30 places will be offered to boys who have passed the 11+ Exam Selective Test as administered by the Consortium of Selective Schools in Essex (of which the school is a founder member), and whose normal place of residence lies within the postcode areas of SS0, SS1, SS2, SS3, SS4, SS5, SS6, SS7, SS8 and SS9 (map below). If two or more boys tie for the final selective place, then it will be awarded using the oversubscription criteria.
- 2) "Looked after" boys from Catholic families and boys who were looked after but ceased to be so because they were adopted by Catholic families (or became subject to a residence order or special guardianship order).
- 3) Baptised, practising* Catholic boys living in the parishes of Our Lady of Lourdes, Leigh on Sea; St. Helen's, Westcliff on Sea; Sacred Heart, Southend on Sea; St. Georges, Shoebury; St. Peter's, Eastwood; St. John Fisher, Prittlewell; St. Teresa's, Rochford; Holy Family, South Benfleet; Our Lady of Ransom, Rayleigh and Our Lady of Canvey, Canvey Island.
- 4) Other baptised, practising* Catholic boys.
- 5) Baptised Catholic boys
- 6) Other "looked after" boys and boys who were looked after but ceased to be so because they were adopted by families (or became subject to a residence order or special guardianship order).

- 7) Practising* Christian boys attending Catholic primary schools. In allocating places, the Governors will consider priority to applications that are supported in writing by their Minister.
- 8) Practising* Christian boys whose parents desire for them a Catholic education. In allocating places, the Governors will consider priority to applications that are supported in writing by their Minister.
- 9) Families who desire a Catholic education for their son.

Notes:

Preference will be given within each category to

- i. Boys with a sibling** at the school or at St Bernard's at the time of admission
- ii. Proximity of the child's home to the school as measured by Southend LA; those living closest to the school being accorded the highest priority. In the case of over subscription in any one category "straight line" distance will be used to measure the distance between the pupil's home (including flats) and the nearest pupil entrance to the school. If the pupil's home is a flat the distance will be measured to the main external entrance of the building. If the same distance is shared by more than one pupil and only one place is available, the place will be awarded on the basis of a computerised random allocation process (supervised by someone independent of the Council/Governing body).

Waiting lists

Children's names will automatically be on the waiting list for the school if the school is a higher preference than the offer made and a place has been refused. Waiting lists for all year groups are held for the full school year.

Over and Under age applications

In circumstances where a child transfers from another school already 'outside of normal age group', the school will support any over or under age application where the above has been met and the school is satisfied that the child should continue to be educated out of normal age group.

Appeals

Parents unsuccessful in securing a place for their child have the right to appeal to an Independent Admissions Appeal Panel. Details of how to do this can be found on the Academy's website.

Definitions

*The definition of practising being:

- If your son is a practising Catholic you have enclosed or arranged for a **Certificate of Catholic Practice** to be submitted to the school. (Catholic applicants).
- If your son is a practising Christian you should obtain a letter which states that your son is practising his faith, from your Minister to be submitted to the school. (Non-Catholic applicants).
-

**The definition of sibling being:

Siblings are considered to be a brother or sister, half-brother or half-sister, step-brother or step-sister, adopted brother or sister, living at the same address, who attends St. Thomas More High School or St. Bernard's High School at the time of application with a reasonable expectation that he or she will still be attending at the time of the proposed admission.

Published Admission Number: 220 (year 7), 200 (year 8 & 9) and 190 (year 10) and 180 (year 11)

If the number of applications for places at the Academy is within the PAN, then the Academy will admit all pupils who apply.

If the number of applications for places at the Academy exceed the PAN, the following criteria will be applied, in priority order, to determine which pupils will be admitted:

1. Looked after children and children who were previously looked after. Any reference to looked after children refers to children who are in the care of local authorities as defined by section 22 of the Children Act 1989. In relation to school admissions legislation, a 'looked after child' is a 'child in public care at the time of application to the school'. Any reference to previously looked after children means children who were adopted (or subject to residence or special guardianship orders) immediately following having been looked after. Looked after and previously looked after children are given the highest priority for each relevant age group and in all ranking for all schools.
2. Pupils who have a sibling on roll at the Academy at the time of application. By definition, a sibling is a child who lives as a brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. The 'same house' is considered to be the address at which the child resides on a permanent basis. If the child lives at more than one address of the parent/guardian that is in receipt of child benefit, that is considered the same address.
3. Pupils who are granted preferential admission (in respect to their aptitude in physical education and/or performing arts) up to a limit of 10%. Parents of children with an aptitude in these areas are invited to complete a Supplementary Information Form (SIF). Prospective pupils will then be required to undertake an assessment of their aptitude.

4. Pupils living inside the Academy's priority admissions area.
5. Pupils of staff employed by the Academy where the member of staff has been employed for two or more years at the time at which the application is made and/or the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage.
6. Pupils living outside the Academy's priority admissions area.

Children with a Statement of Special Educational Need or EHCP follow a different process for admission. If the Academy is named in the Statement of Special Educational Need or EHCP, it must admit the child. Further information can be accessed via the links below.

<http://www.southend.gov.uk/info/200225/childrenwithdisabilities/290/specialeducationalneeds>

<http://www.southendinfopoint.org/kb5/southendonsa/fsd/localoffer.page>

In the case of oversubscription in any one category, places within that category will be allocated according to random allocation. The random allocation process is organised by the Vice Principal (using approved computer software) and supervised by someone independent of the Academy.

Preferential Admissions

The Academy offers excellent Physical Education and Performing Arts tuition. Parents of children with an aptitude in these areas are invited to complete a Supplementary Information Form (SIF). Prospective pupils will then be required to undertake an assessment of their aptitude. Aptitude testing is scheduled to take place in September and details can be found on the Academy's website.

Priority Admissions Area

http://www.southend.gov.uk/downloads/file/3561/cat chment_area_postcode_look_up_table

Over and Under Age Applications

The Academy will support any over or under age application where the above has been met and the Academy is satisfied that the child should continue to be educated out of the normal age group.

Waiting Lists

A child's name will automatically be on the Academy's Waiting List if they have been refused a place for the main round (normal transition point) to Year 7. In accordance with the School Admissions Code, if the Academy is oversubscribed, any application received after the identified closing date will be slotted into the Waiting List in the appropriate position (ranked according to the admissions criteria) once the initial offers have been made. The Academy's Waiting List for all year groups is closed at the end of each academic (school) year. If parents wish for their child to remain on the Waiting List, they will need to reapply in writing.

Appeals

Parents unsuccessful in securing a place have the right to appeal to an Independent Appeals Panel. Details can be found on the Academy's website.

In-Year Admissions

To apply for a school place during the academic year, or for Years 8-11, parents will need to complete an In-Year Application Form. Details can be found on the Academy's website.

Address closing date:

For all applications the address used will be the child's habitual normal place of residence as at the closing date for applications, i.e., 31st October 2018 changes to address will be updated after all on time applications have been processed.

Westcliff High School for Boys

Headteacher: Mr M A Skelly

Address: Kenilworth Gardens, Westcliff-on-Sea, SS0 0BP

Website: www.whsb.essex.sch.uk

Published Admission Number: 185 for all year groups (139 Priority Area and 46 out of Priority area)

1. Westcliff High School for Boys is a Selective Academy Grammar School. Admission to the School at age 11 is determined through a selection procedure administered by the Consortium of Selective Schools in Essex (CSSE).
2. For the September 2019 intake, the School's Published Admission Number for Years 7 to 11 is 185 per Year group. In 2017 and 2018, approximately 800 boys applied for a place at Westcliff High School for Boys. Parents must complete two forms on behalf of applicants.
3. The CSSE Supplementary Information Form (SIF) must be completed in order to register a boy to sit the selection tests and should be returned to the CSSE by the published deadline. It can also be completed online and accessed through the CSSE website at: www.csse.org.uk.
4. Tests in English and Mathematics will be taken on Saturday 22 September 2018 at the School parents have identified as their preferred Test Centre on the SIF. In the event of a Test Centre reaching its maximum capacity for testing, an alternative CSSE School Test Centre will be allocated by the CSSE office. Sample familiarisation papers are available free-of-charge on the CSSE website. Details of the application process for the selective system are published in the CSSE Information Guide 2019 Entry.
5. The CSSE will send the results of the tests by first-class post in October on the date specified annually by the CSSE.
6. Parents must express a preference for this School on their Local Authority (LA) Single Application Form (or Common Application Form) in order for their son to be considered for a place. The deadline for completing this form, if you live within the Southend or Essex Local Authorities, is Wednesday 31 October 2018 (subject to confirmation).
7. The LA will identify those to whom places are to be offered, taking into consideration both a boy's performance in the entrance examination and the expressed sequence of parental preferences. Under Co-ordinated Admissions Procedures, offers of places will be made on 1 March 2019 and parents will have 10 days to respond in writing any places offered.
8. Boys under the age of 11 on 31 August 2019 may, exceptionally, be allowed to sit the tests. Their application to sit the tests is at the discretion of the Governors of the School of first preference. The application will be processed through the Local Authority Co-ordinated Admissions Procedure. If unsuccessful in the tests, the boy will not be allowed to sit the tests a second time for entry to Year 7.
9. The offer of a place is dependent upon passing the selection tests. However, passing the selection tests is not a guarantee of being offered a place. A pass mark for the tests is set annually, which ensures that the entrance standard remains comparable to that obtaining in the period 1990 to 1994. No pupil will be admitted below this pass mark. The School determines admission in the order of priority set out below:
 - i) Where the School is named in a boy's Statement of Special Educational Needs and the boy passes the selection tests, the School and the Local Authority have a duty to admit the boy. See Note 1 for further details.
 - ii) **Priority is given to those boys whose parents' primary residence** (as assessed by receipt of Child Benefit or a signed affidavit or other legal document to confirm the boy's usual place of residence) **lies within the postcode areas SS0, SS1, SS2, SS3, SS4, SS5, SS6, SS7, SS8 and SS9, subject to their passing the entrance examination. A maximum of 139 places is reserved at this School for boys in this category.** Places are allocated in order of the mark achieved, higher passing candidates first. The School is 'full' within the Priority Area when it has taken its full quota of boys from within that area or when there are no more passing candidates who have listed the School as a preference.
 - iii) **Priority will be given thereafter to those boys whose parents' primary residence** (as

- assessed by receipt of Child Benefit or a signed affidavit or other legal document to confirm the boy's usual place of residence) **lies outside the postcode areas SS0, SS1, SS2, SS3, SS4, SS5, SS6, SS7, SS8 and SS9, subject to their passing the entrance examination.** In the case of boys applying in this category, places will be offered according to the Order of Merit of those who sit and pass the entrance examination. The boys who score higher marks will be allocated places before those who pass at a lower level. This process will continue until all available places have been filled.
10. In the event of boys achieving the same mark for the last available place, preference will be given on the following basis:
 - i) Where the boy is a child in public care (looked after child), and boys who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order) their case will be considered ahead of boys not in public care. See Note 2 for further details.
 - ii) Where a boy is not in public care preference will be given to the boy who lives closest to the School as measured in a straight line from the front door of the boy's home address (including flats) to the nearest pupil entrance to the School, with those living nearest being given preference. Distances will be measured using the Local Authority's computerised measuring system. If the same distance is shared by more than one boy and only one place is available, the place will be awarded on the basis of a computerised random allocation process (supervised by someone independent of the Governing Body). (If a boy lives with different parents for part of a week, the 'home' address will be deemed to be the address to which Child Benefit would be payable.)
 11. If a School place is obtained through fraudulent means, the offer of a place would be withdrawn. This can include the removal of a pupil once started at the School.
 12. All parents have a statutory right of appeal against non-admission, which may be exercised only after School places have been offered. Appeals must be lodged directly with the School within three weeks of the offer date. Panel Hearings take place within 40 school days.
 13. Places do become available In-Year (Years 7-11) and further details can be found on the School's website and/or by contacting the School's Admissions Officer. Boys may apply by using the form which is available on the School's website or by contacting the School. Please note that any Year 7 places that become available, prior to 31 December in the academic year, will be offered according to the rank order using the 11+ test results supplied by CSSE to the School. After this date, boys will be tested in English, Mathematics, Science and French/German/Spanish and tests will take place at intervals across the year and subject to places being available. A boy must achieve the average grade (or above) of the Year group to which they have applied in each of the aforementioned subjects to be deemed suitable for entry. If there are more boys deemed to have met the required standard than there are places, then places will be awarded strictly according to the rank order based upon the combined performance of each boy. No more than one application can be made in any one academic year and parents of an unsuccessful applicant have the right to appeal to an Independent Appeals Panel.
 14. Boys and girls wishing to join the Sixth Form complete an application form. Our planned admission number for the 2019 intake of students admitted to the School for the first time is 30. Conditional offers are generally made and students are expected to obtain 50 points drawn from their best eight subjects. In reformed subjects, each grade is worth the equivalent number of points (a grade '9' is worth 9 points). In line with Government Equivalence Tables, unreformed subjects will count towards this score with an A* worth 8.5 points, an A worth 7.0, a B worth 5.5, a C worth 4.0, a D worth 3.0, an E worth 2.0 and an F worth 1.5 and a G worth 1.0 points. Certain Advanced Level subjects require a minimum grade in that subject at GCSE, and details of this, together with a full explanation of the threshold calculation, are provided on the School's website.

Address closing date:

For all applications the address used will be the child's habitual normal place of residence as at the closing date for applications, i.e., 31st October 2018 changes to address will be updated after all on time applications have been processed.

Atypical Admissions

Atypical age admissions refer to school admissions outside of standard school transition points.

Where there is a school with an atypical age of admission in a local authority area or within reasonable travelling distance of the local authority area the local authority must provide the name of the school/s to the parent/carer of children registered at a school within the local authority area transferring into year 10 in September 2019.

Provided below is a list of the schools within a reasonable travelling distance, which you may wish to look into and consider whether your child would want to apply for a place in September. You should also look at the GCSE curriculum at your child's current school, to help consider what the best option is for the next two years of your child's education.

University Technical Colleges (UTCs) are set up by universities and businesses and specialise in one or two technical subjects. At GCSE they offer a similar curriculum to a typical 11-18 secondary school, including the basics of English and Maths, as well as their specialist subject.

Studio Schools are similar to UTCs in that they have employer involvement in the curriculum and focus on developing the skills needed for employment, involving personal coaching and work experience, alongside a similar curriculum to a typical 11-18 secondary.

All schools have a statutory duty to secure impartial careers guidance for all Year 8 to Year 13 students to inspire young people to fulfil their potential and to make them aware of all opportunities open to them. We strongly recommend that your child discuss their options with a Careers Adviser in their current school or college.

If you decide that you would like to apply for a place at any of schools listed below for your child, you will need to complete an application form. This can be done either via the school or through your local council. The list of schools are within an hour's travelling time of Southend on Sea, there are other schools you can apply for.

Additional Information & Term Dates 2019/20

School term and holiday dates for the academic year 2019/20

These dates are generally followed by all schools in Southend but you should check with the individual school. All schools will also have a number of non-pupil days when children will not be expected to attend. These vary from one school to another. The day when certain schools begin a new term may also vary. Please contact the school office for more details.

You should avoid taking your child out of school for holidays, as this will inevitably disrupt the child's education. Absence without the approval of the headteacher is regarded as unauthorised absence. Parents should be aware that unauthorised absence may lead to Penalty Notices (anything from £60), and prosecution at Magistrates Court.

We know that parents have lots of questions about their options for a secondary school for their child so we've provided responses to questions that are asked most often in the following pages.

Frequently Asked Questions

We know that parents/carers have lots of questions about their options for a secondary school for their child so we've listed below some of the ones that are asked most often.

How do I find out more about the secondary schools in Southend-on-Sea?

One of the best ways to find out more about which will be the best school for your child is to visit them. All their open days/evenings are listed in this guide but if you cannot make one of the open days please contact the school and arrange an alternative day/time to visit.

When can I apply for my child's secondary school and if I apply early will I be more likely to get my 'first' choice?

The online secondary school application form (for the parents/carers of all pupils living in Southend who are due to start in Year 7 in September 2019) will be open on from 1st September 2018 and the closing date is 31st October 2018. School places are NOT offered on a 'first come first served' basis, but are considered in line with the admission criteria for each school.

Do I have to pay to go to any of the Southend schools featured in this guide?

There are no fees for the twelve schools that are listed within this leaflet. There are some costs and examples of the cost that parents would need to cover are uniform, stationery and trips. There is one fee paying, independent secondary school in the area: Thorpe Hall School. Further details on www.thorpehall.southend.sch.uk

What if my child has a statement of SEN or EHC Plan?

Parents will receive information from the special educational needs team in September 2018 regarding the secondary school application process and do not need to complete the standard application form.

If I want my child to take the 11+ test how do I do this?

Your child's primary school will be able to advise you about the 11+ test and will provide you with relevant information about the entry process. Children take the test in the September of Year 6 and parents/carers receive the results before the end of the application period so that all parents/carers can make an informed choice for their child. More information can be found from The Consortium of Selective Schools in Essex (who run the 11+ test) on www.csse.org.uk

Can my child still have free school meals at secondary school?

Yes. It is really easy to apply either in person at the school or using our online service at www.southend.gov.uk/fsm. If you are eligible for free school meals you will save between £12 and £15 per week. Some schools will also provide a free or lower cost uniform if you are registered for free school meals.

Can my child attend any school?

Every school has their own set of admission criteria. This may depend on, for example, where you live, whether your child has a sibling at the school, whether they excel in a particular field, for example, Performing Arts or whether the school has an entrance test. Admission arrangements for schools are available on the school and Council website.

When and how will I find out my child has a secondary school place?

Parents/carers will be informed on **1st March 2019** via email or first class post (depending on whether the application was made online or on paper) of the school place that their child is being offered.

Will the Council pay the transport costs of getting my child to school?

Parents are responsible for ensuring their child gets to school and the majority walk, cycle or use public transport. Please take into account the location of the school when making your choices. In a few cases transport may be provided using specific criteria on distance and/or specific benefits. Full details can be found at www.southend.gov.uk/etc

Where can I find out about school uniform?

All of the schools have uniform suppliers listed on their website. If you do not have internet access then please contact the school directly who will be able to give you more information.

How do I contact the team who are responsible for school admissions at the Council?

The School Admissions Team on 01702 212934 will be able to answer your enquiries. You can contact the team by email at admissions@southend.gov.uk

Applying to schools outside of Southend-on-Sea

Parents can express preferences for schools in and out of the area. The following table shows details of schools in the Castle Point & Rochford area of Essex which are within a reasonable travelling distance of Southend. Parents are encouraged to seek information from the Local Authority for the school.

Secondary school admissions are fully co-ordinated across the country. This means that if you are resident in Southend-on-sea you only need to fill out one form, the CAF, even if some, or all, of your preferred secondary schools are outside Southend.

You can either apply online at www.southend.gov.uk/admissions or complete and return the form. Please do not do both.

Useful contact for neighbourhood secondary schools, this list is not exhaustive and only for guidance purposes.

What happens post 16?

The Government introduced changes so young people, following Year 11, are now required to remain in learning until at least their 18th birthday. Your child's school will supply information to your son or daughter in Year 11 on the opportunities available in the local area or to find out more visit www.gov.uk/know-when-you-can-leave-school

Young people will, have a range of options they can consider including;

Remain in full time education

Stay in full-time education, such as school with a Sixth Form, College or a Sixth Form College. All education establishments will publish their entry criteria for a place in their sixth form or college within their prospectus or on their website.

Find an Apprenticeship

Start work based learning, such as an Apprenticeship or Traineeship. If your son or daughter is interested in an Apprenticeship or Traineeship there are a wide range of Training Providers working with employers, in Southend-on-Sea, to deliver these programmes.

Work or Volunteer while studying part-time

Spend 20 hours or more a week working or volunteering, while in part-time education or training

The admission criteria for schools with 6th forms in the borough is available as a separate document on www.southend.gov.uk/admissions (select secondary)

To find out more about the next steps and all the options available to young people, please contact the Connexions service;

Connexions offer advice and guidance on career choices, training and support in finding employment for young people up to 19.

The connexion service works in partnership with schools, colleges and training providers to ensure the best support is available. Connexions Personal Advisers also offer one to one support to help young people overcome any barriers that are preventing them moving into learning, training or work.

Applications for transfer to state schools for Year 7 can be made online at:

www.southend.gov.uk/admissions

Parents must apply to their home local authority (the LA they pay council tax to)

Glossary of abbreviations and terms:

Academies – Schools funded directly by Central Government where the Academy Trust employs the staff and is the admission authority.

Additional applications – An application from a parent who has already submitted an application and is requesting an additional school(s). This will normally be after the initial offer of places in March.

Admission authority – The official body that determines the criteria on how pupils will be admitted to a school and are responsible for deciding who is admitted using the published criteria.

CAF – Common Application Form – The form parents complete, listing their preferred choices of schools, and then submit to local authorities when applying for a school place for their child as part of the local co-ordination scheme, during the normal admissions round. Parents must be allowed to express a preference for a minimum of three schools on the relevant common application form as determined by their local authority. Local authorities may allow parents to express a higher number of preferences if they wish.

Catchment area – A defined geographical area served by a particular school.

Changes in preference – Changes in the order of preferences already expressed (ie not an additional application) unless this is due to a change of address. Changes of preference are only considered after the National Offer Day.

Child Benefit – Until recently child benefit was a universal credit and could be produced as confirmation of a child's usual place of residence. Where a child benefit letter can not be provided parents will need to provide a signed affidavit or other legal document to confirm child's usual place of residence

Council – Southend-on-Sea Borough Council who are the Local Authority. In most cases the function of the Council will be undertaken by The School Admissions Team within the Department for People.

CSSE – The Consortium of Selective Schools in Essex – a group of schools that are responsible for the selection test (11+) arrangements. The 11 schools operate a consortium whereby only one test needs to be taken even though an application is being made to several schools.

DfE – (Department for Education) – Central government department responsible for education matters.

EHCP – See definition under; statement of special educational needs on page 53

Essex – Essex County Council who are the local authority. In most cases the function of the Council in relation to school admissions will be undertaken by the Planning & Admissions Team.

FAP – Fair Access Protocol.

Foundation schools – Schools funded by the Council where the governing body employs the staff and is the admissions authority.

FTT – Facilities and Transport Team

General Data Protection Regulation (GDPR) – We are committed to protecting your privacy when you use our services. It is important to us that you can trust us to keep your information safe and to use it in ways that you will think are reasonable and ethical. Southend-on-Sea Borough Council are the data controller for the information we have about you, this means we control how your personal information is processed and for what purposes.

The Privacy Notice, available in full on the council website

http://www.southend.gov.uk/downloads/file/5542/privacy_notice_may_2018 explains how we use information about you and how we protect your privacy. We have a Data Protection Officer who makes sure we respect your rights and follow the law. If you have any concerns or questions about how we look after

your personal information, please contact the Data Protection Officer at Dataprotection@southend.gov.uk or by calling 01702 215000.

Governing Body – It is the responsibility of the admission authority to ensure that admission arrangements are compliant with the School Admissions Code. Here a school is the admission authority, this responsibility falls to the governing body or Academy Trust. School governing bodies are corporate bodies responsible for conducting schools with a view to promoting high standards of educational achievement. Governing bodies have three key roles: setting strategic direction, ensuring accountability, and monitoring and evaluation.

Independent Appeal Panel – A group of 3 or 5 people who decide whether a child that has already been turned down for a school place by the admission authority should be given a place.

Late applications – Applications received after the closing date from those who could have made an application on time.

Looked after children and Previously looked after children – Children who are in the care of local authorities as defined by Section 22 of the Children Act 1989. In relation to school admissions legislation a 'looked after child' is a child in public care at the time of application to the school'. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Looked after and previously looked after children are given the highest priority for each relevant age group unless specified.

Ranking for Faith and Selective schools differ slightly in that:

For selective schools: Looked after and previously looked after children are required to meet the academic level before they can be considered for admission to a selective and partially selective school. Priority is given to these children if they tie for a place with another applicant.

For faith schools: Looked after and previously looked after children are given the appropriate priority for each relevant age group in line with the admission criteria.

New applications – Parents moving into the area who, in the view of Southend-on-Sea Borough Council, could not have made an application by the closing date of 31st October 2018 will have their application slotted into the system as and when received.

National Offer Day – The day (1st March 2019) on which all offers of places will be made. Non-selective places – school places offered without reference to the selective (11+) procedure.

Normal round of admissions – Under the Southend Co-ordinated Secondary Admissions Scheme, the normal round of admissions refers to admissions to Year 7 up to the end of the first week of the autumn term. The Council co-ordinates all admissions during this period.

PAN – (Published Admission Number) – the number of pupils that the admission authority has decided it can admit. Also recorded as admission limit.

Parental Responsibility – As defined by the Children Act 1989 (also refer to Section 576 Education Act, Section 2 of Children's Act and The School Admissions Code 2014). In making an application for a school place only one parent with parental responsibility is required to do so. Consent by both parents is not required and the LA should not have details of both parents in processing the application (The School Admissions Code 2014).

A request from a parent for information about their child's school admission application is made under the Data Protection Act and as such a parent does not have an automatic right to information about his/her child. This also applies to any other family member. If The School Admissions Team are contacted by anyone other than the parent who made the original application we must not provide any information unless we have the agreement in writing from the parent who made the application.

SAT – School Admissions Team at the Council

Selective place – School place offered at certain schools as a result of a pupil's performance in the selection (11 +) procedure.

SIFs – Supplementary Information Forms – forms on which parents are asked to provide additional information in support of their applications in order to enable the school to apply their admission criteria. It is not an application form and parents must always complete the Council's Single Application Form.

SEN or EHCP

Statement of Special Educational Need (SEN) and Education Health and Care Plan (EHCP)

A Statement of Special Educational Need is a statement made by the local authority under Section 324 of the Education Act 1996, specifying the special educational provision required for that child. If the school is oversubscribed, the admission of pupils with a Statement of Special Educational Needs or Education, Health and Care Plan where the school is named in the Statement or Plan, is mandatory. Children with an EHCP/Statement are required to meet the required academic level before they can be considered for admission to selective and partially selective schools. The school must have been named in the Statement or plan.

Ranking for Selective/partially selective schools differ slightly in that children with an EHCP/Statement are required to meet the required academic level before they can be considered for admission to selective and partially selective schools. The school must have been named in the Statement or Plan.

Under and Over age - An applicant is under age if he or she will be under 11 years of age on 31 August immediately prior to admission in September. An applicant is over age if he or she is not under 12 years of age on 31 August immediately prior to admission in September.

Usual Age of admission - (also referred to as Normal age of admission) - This is the age group at which pupils are or will normally be admitted to the school e.g. reception, year 7 and year 12 where the school admits external applicants to the sixth form. (Section 142 of the SSFA 1998) (The School Admissions Code 2014)

Southend-on-Sea 11 plus

#nofuss11plus

Grammar schools in Southend-on-Sea provide for children whose ability is approximately in the top 25% nationally.

If your child is currently working at a level above national expectations or they got a Level 2A or above in both English and mathematics in their KS1 tests, a state grammar school could be a good option for them.

Applying for a September 2019 year 7 place at a Southend-on-Sea grammar school is simple. All you need to do is register your child for the 11 plus examination **NOW**.

Register now!

Deadline: 5pm on 20th July 2018.

You will also need to apply for the grammar school/s of your choice on the Local Authority application form which will be available from 1st September to 31st October 2018.

Registering your child for the test does not mean they have to attend a grammar school if they pass.
