

1st March 2021

Dear Parent,

Re: Reopening

Subject to any further Government guidance, I can confirm that the Academy will reopen to all pupils on **Monday 8th March**.

In preparation, I have updated the following documents:

[Covid-19 FAQ](#)

[Risk Assessment](#)

[FAQ Crib Sheet](#)

These documents can also be accessed via the website under [Covid-19 Updates](#)

In terms of the key information, I refer you to the following in the [Covid-19 FAQ](#):

- All pupils are required to attend school with the exception of those who are shielding (section 1.4).
- The staggered start and end arrangements are the same (section 2.2).
- The 'system of controls' are largely the same with the exception of additional requirements for face coverings and testing (section 2.6 and 2.7).
- The delivery of the curriculum is the same (section 5.1, 5.2 and 5.3).
- The arrangements for break and lunch are the same. Lunch is currently 30 minutes and will be reviewed after the Spring Term (section 2.3).
- The arrangements for Year 11 pupils have been confirmed by the DfE and Ofqual (section 5.5).

If there are specific concerns regarding your child's return, please do not hesitate to contact their Head of House via the e-mail [Contact List](#) to gain reassurance.

I look forward to all pupils returning.

Yours sincerely,

Mr. N. Houchen
Principal
